MESSAGE FROM PRINCIPAL

Prof. Virender Bhardwaj
(Principal)

At Shivaji College, we believe that education extends beyond the classroom. Guided by our motto, “Amritam Tu Vidya”—Knowledge is Eternal—our mission is to nurture individuals who combine academic excellence with professional competence, ethical values, and a commitment to nation-building. Rooted in the vision of the National Education Policy (NEP) 2020, we strive to prepare our students to excel in an ever-evolving global landscape.

The Placement & Internship Cell plays a pivotal role in translating this vision into meaningful opportunities. Through industry collaborations, skill-development initiatives, career guidance programmes, workshops, alumni interactions, and recruitment drives, the Cell connects academic learning with professional aspirations. These efforts are complemented by the ‘Principal Internship Scheme’ which offers students both Summer Internships & Academic Session Internships, enabling them to gain hands-on experience in the real-world work environments. Together, these initiatives equip students with the confidence, knowledge, and practical exposure required to succeed in today’s competitive world.

The achievements of the cell during the academic session reflect this commitment. Through Crescita '26, the Annual Placement & Internship Fair, along with numerous workshops, speaker sessions, CV vetting initiatives, and peer learning programmes, students were provided with valuable opportunities to engage with leading recruiters and industry experts. Such initiatives have significantly strengthened our students' employability and reinforced the college's reputation as a centre of academic and professional excellence.

This brochure stands as a testament to the steadfast commitment of the Placement and Internship Cell, the relentless efforts of its faculty coordinators and student members, and the aspirations of every Shivajian. I congratulate the entire team for their exemplary work and extend my best wishes for their continued success in shaping brighter futures for our students.

Best Wishes

Prof. Virender Bhardwaj
