SHIVAJI COLLEGE

UNIVERSITY OF DELHI

PROSPECTUS 2026-27

(NAAC ACCREDITED WITH 'A' GRADE)

"Transform One Life, Transform the Nation" embodies the vision of Shivaji College, inspiring excellence, innovation, and holistic development.

PRINCIPAL'S MESSAGE

Dear Students,

A warm welcome on this exciting new chapter of your academic journey at Shivaji College. Established in 1961 as a constituent college of the University of Delhi, Shivaji College is the fulfillment of the vision of Shri Punjabrao Deshmukh, the then Union Minister of Agriculture, to nurture young minds by fostering an environment that encourages intellectual growth, critical thinking, creativity, and social responsibility.

The college draws inspiration from the ideals of Chhatrapati Shivaji Maharaj—leadership, courage, integrity, and dedication to the greater good. These values continue to guide our academic and institutional pursuits.

Our commitment to quality education and continuous improvement has been recognized through the 18 departments which offer 20 undergraduate and 3 postgraduate courses. The "A" Grade accreditation by NAAC, reflects the high standards we uphold in teaching, learning, and institutional development. The current NIRF ranking of the college stands at 69th position. Shivaji College registered a remarkable improvement in the India Today Rankings, securing 23rd in Commerce, 32nd in Sciences, and 36th in Humanities nationally, with respective Delhi state rankings of 14th, 15th, and 16th. The B.A. (H) Hindi Programme of Shivaji College is ranked 8th position nationwide.

The college has been granted 5 prestigious extramural research projects, the highest funding being ₹1.03 Cr. The College Research and Innovation Cell has also granted 4 intra-mural research projects of ₹ 1 lac each. Currently, 26 teachers across various departments are also PhD supervisors to research scholars. 7 MoUs have been signed with prestigious institutions to further the academic growth of both students and teachers. The Principal's Internship Scheme, introduced in 2024-25, provides hands-on training to students on the various

aspects of administrative functioning. A Skill Development Centre (SDC) for Python Programming and Data Analysis and An Incubation Centre has been set up to guide and enable students into becoming job creators.

At Shivaji College, education extends beyond the classroom. We strive to provide a vibrant and inclusive campus experience that nurtures your talents and provides opportunities through various extra-curricular societies and schemes. The annual festival, Vibrations, Jijabai Awards and Shivaji Jiyanti are events that students look forward to. The active NSS and NCC (girls and boys) are significantly aligned with the nationalist and social ideals of the institution.As you begin your journey with us, I encourage you to make the most of every opportunity, embrace new experiences, and contribute meaningfully to the college community. I wish ayou a rewarding, enriching, and memorable time at Shivaji College.

Best Wishes

Prof Virender Bhardwaj

EMBLEM OF SHIVAJI COLLEGE

Shivaji College is built on the rich ethos of Bhāratīya Sanskrti and the enduring tenets of the Upanishads by striving to nurture enlightened, ethical, and socially-conscious individuals through an inclusive, value-driven, and transformative educational experience. The motto of the Shivaji College emblem, "Amritam Tu Vidya" (Knowledge is Immortal), is derived from the first mantra of the fifth chapter of the Shvetashvatara Upanishad. The relevant verse reads: **द्वे अक्षरे ब्रह्मपरे त्वनन्ते विद्याविद्ये निहिते यत्र गूढे। क्षरं त्वविद्या ह्यमृतं तु विद्या विद्याविद्ये ईशते यस्तु सोऽन्यः॥** The verse distinguishes between avidyā (ignorance), which belongs to the perishable realm, and vidyā (knowledge), which is associated with immortality. The expression "Amritam Tu Vidya" encapsulates the Upanishadic ideal that true knowledge elevates human consciousness and leads to the realization of the eternal.

The emblem of Shivaji College serves as a visual representation of its foundational ideals and unwavering commitment to the transformative potential of education. At its centre is the rising sun, symbolising the illumination of knowledge and wisdom that dispels ignorance and inspires intellectual and spiritual awakening. This radiant image embodies the essence of the college's guiding principle: "Amritam tu Vidya"—the enduring and life-enriching power of knowledge.

A lotus forms a prominent element of the emblem, representing art, culture, beauty, and purity. Blooming amidst challenges, it signifies resilience and the triumph of virtue over adversity, echoing the values associated with the legacy of Chhatrapati Shivaji Maharaj, after whom the institution is named. The two golden stalks of wheat at the base symbolise abundance, prosperity, and productivity, reflecting the college's commitment to holistic growth, self-reliance, and the well-being of society.

Collectively, these symbols create a distinctive emblem that embodies intellectual excellence, cultural rootedness, moral courage, and the aspiration for shared progress. Aligned with its motto and the broader ideals of Bhāratīya Samskrti the emblem affirms the belief that knowledge is the pathway to self-realisation, liberation, and meaningful service to humanity.

This year, the University is offering 73 Bachelor's Programmes and 150 B.A. Programme Combinations.

The candidates must complete Phase I by making the registration fee.

The Phase II of CSAS will commence from Friday, July 03, 2026. To participate in Phase II, the candidates must complete Phase 1 and do the following:

SUBJECT-MAPPING

The candidates will be required to map the subjects studied in Class XII with the Test papers in which they have appeared in CUET(UG)-2026. For admission to University of Delhi, it is mandatory for the candidate to appear in CUET(UG)-2026 in those subjects in which s(he) has passed class XII. Language/Domain specific subject that is similar/closely related to the subject s(he) has studied at Class XII.

PREFERENCE SELECTION

During In the Preference selection, the candidate may choose as many Programme + College combinations as s(he) wishes, subject to meeting the programme-specific eligibility criteria. Candidate must take utmost care while selecting the Programme/s and College/s as the order of selection of the Programme + College combination will also determine the preference order. The candidate can reorder to prioritize the preference order of Programme + College combinations through "Top, Bottom and Preference Number" icons. Candidates must ensure to "SAVE" the preferences on regular intervals. Only the Programme + College combination selected and saved by the candidate during the Preference-Filling will be considered for allocations and upgradations (if any). The candidates must preview the "Preference Selection" to confirm their saved choices. Upon reaching the deadline of Phase II, the saved preferences will automatically get locked and will be used for allocations.

UPGRADE PROCEDURE

Once the candidates submit their programme fees within a stipulated Round, they will get an opportunity to choose "Upgrade/ Freeze". Candidates who choose for "upgrade" will be able to reorder their higher preferences within the duration of the round in which the admission was sought.

The candidates can reorder the higher preferences as many times as they wish for till the deadline of the respective round. For example, the candidates admitted in Round 1 will be able to reorder their preferences till 11:59 pm Tuesday, July 21, 2026. It is in the interest of the candidates to pay the programme fee and avail the option of upgrade and reorder well before the deadline. The last saved preferences will get auto-locked at 11:59 pm Tuesday, July 21, 2026. Similarly, for Round 2 the reorder option will close at 11:59 pm, Tuesday, July 28, 2026.

All candidates are advised to regularly visit the website (admission.uod.ac.in) for updates regarding admission status, schedules, and announcements.

ABOUT SHIVAJI COLLEGE

Shivaji College, a premier co-educational constituent college of the University of Delhi, was established in 1961 under the aegis of the Ministry of Education and according to the vision of the distinguished educationist and visionary, Dr. Panjabrao Deshmukh, India's former Agriculture Minister. The College moved to its present campus in Raja Garden in 1976. Named after the legendary Maratha warrior king Chhatrapati Shivaji Maharaj, the college stands as a tribute to valour, wisdom, and cultural rootedness. Over the decades, it has evolved into a dynamic centre of academic excellence and holistic student development, firmly grounded in the ethos of Bhāratīya Sanskrti. Nestled in a serene and expansive campus in Raja Garden, New Delhi, Shivaji College has 18 departments offering 20 undergraduate and 3 postgraduate courses across disciplines such as sciences, humanities, and commerce, catering to over 4000 students and supported by more than 180 dedicated faculty members. The college is widely recognised for its innovative pedagogy, interdisciplinary curriculum, and commitment to social equity, ecological sustainability, and value-based education. Its motto, "Amritam tu Vidya" (Knowledge is Immortal), encapsulates its vision of education as a means of character formation and nation-building. The college remains committed to an education that harmonises jnāna (knowledge), karma (action), ichha (will/desire), and dharma (righteousness), fostering academic excellence, cultural pride, and a sense of duty.

Shivaji College continues to uphold its rich legacy. Accredited with Grade 'A' by NAAC, the current NIRF ranking of College stands at 69th position. The College has also registered a remarkable improvement in the India Today Rankings, securing 23rd in Commerce, 32nd in Sciences, and 36th in Humanities nationally, with respective Delhi state rankings of 14th, 15th, and 16th.

During the academic session 2025–26, the College continued to strengthen its research ecosystem and academic excellence. Faculty members achieved notable scholarly milestones, securing two patents, publishing 73 research papers and 38 book chapters in reputed national and international journals and edited volumes, and authoring two books.

The College faculty also successfully secured several extramural research projects funded by prestigious national agencies. The Higher Education Financing Agency (HEFA) sanctioned a grant of ₹50 lakh for the project titled *"Evaluating Microbial Diversity of Water and Soil and Its Remedial Measures for the Potability of Water in 'Kubad Patti' of Nagaur District, Rajasthan."* The Indian Council of Medical Research (ICMR) awarded a grant of ₹1.03 crore for the project *"Evaluation of Self-Amplifying mRNA-Mediated Enzyme Replacement Therapy for the Treatment of Phenylketonuria."* Further strengthening the College's research portfolio, the Indian Council of Social Science Research (ICSSR) sanctioned ₹30 lakh for the project *"From Policy to Practice: A Longitudinal Study on Technical, Vocational Education and Training (TVET) Policy Transformations, Skill Gap Dynamics and Demographic Dividend Realization in India's National Capital Region."* The Ministry of AYUSH provided a grant of ₹18.9 lakh for the project *"Awareness Campaign about Shatavari (Asparagus racemosus Wild.) and Its Sapling Distribution among Students and Residents in Selected Districts of NCT Delhi."* In addition, the Indian National Science Academy (INSA) extended supportto faculty-led research initiatives through sponsored projects.

Faculty members across departments remain actively engaged in cutting-edge research and innovation. To further promote a vibrant research culture, the College Research and Innovation Cell awarded four intramural research projects, each supported with a grant of ₹1 lakh, encouraging interdisciplinary inquiry and academic advancement within the institution.

Shivaji College stands at the forefront of academic and institutional innovation. Over the last few years, the college has introduced many new schemes and measures for quality enhancement. **The Principal Internship Scheme (PIS),** modelled after the University of Delhi's Vice Chancellor Internship Scheme, was launched in 2024–25 to provide students with hands-on exposure to institutional processes and real-world functioning and to bridge the gap between academic theory and professional practice by offering students invaluable opportunities

for practical and experiential learning. During 2025-26 , the program received an overwhelming response, resulting in the selection of 43 high-achieving students through a rigorous process: 15 were inducted into summer internships with a stipend of ₹6,000 for 120 hours, while 28 were appointed as department and office interns, earning ₹12,000 for 200 hours of service.

In commemoration of the 350th Coronation Anniversary of Chhatrapati Shivaji Maharaj, the College instituted the **Shivraj Bhushan Award** in 2024 to recognize and honour teaching and non-teaching staff members who have rendered 25 years of dedicated service.

The award reflects the institution's profound appreciation for commitment, loyalty, and the enduring legacy of service that strengthens the College community.

Environmental sustainability is a hallmark of the college's ethos. The campus houses **a solar power plant generating over 95,000 kWh annually, a sewage treatment plant processing 27,62,162.16 litres per year** (the first of its kind in Delhi University), and **rainwater harvesting units with a capacity of 1.2 lakh litres annually.** Additionally, **bio-composting facilities produce 2,080 kg of compost per year**, and the campus maintains a **tree plantation drive with 450+ trees.** The college also hosts a r**evived herbal garden with operational beehives,** along with **paper and food waste recycling systems,** a strict ban on single-use plastic, LED lighting, and a **vehicle-free green zone**, collectively ensuring ecological harmony.

Research and innovation are foundational pillars of the college. **The Intramural Research** Scheme funded five new multidisciplinary projects, with funding increased from ₹30,000 to ₹1,00,000 per project. *The projects include Restoring and Integrating Indian Knowledge Systems: A Bhagavad Gita Perspective; Revisiting the Partition of India through Art and Literature; Socio-Economic Development and Cultural Identity of the Kol Tribe (Chitrakoot, MP); Anthrax Vaccine Development Using Bacillus anthracis Mutants; and Microwave-Assisted Synthesis of Purine Analogues.* Dedicated research laboratories have been established in the **Jijabai Academic Block**, while the launch of **Shivraj 350: Multidisciplinary Journal**, an esteemed publication dedicated to fostering academic excellence and promoting cutting-edge research across diverse fields of study, has further cemented the college's research credentials.

Beyond regular classroom instruction, the College offers a range of add-on courses and workshops to provide students with opportunities for experiential and interdisciplinary learning beyond the prescribed curriculum. These initiatives are designed to enhance employability, develop practical skills, and foster holistic academic growth. During December 2025–January 2026, four interdisciplinary add-on courses were successfully conducted by the Departments of Physics, Mathematics, Commerce, Botany, and the Alumni Relations Cell on themes of contemporary relevance and professional significance. The courses included *"Technology for Functional Food and Nutraceuticals," "Guide to Materials Characterization Techniques," "Google Workspace Basics," and "Mental Ability and Logical Reasoning."* Each course comprised 30 hours of instruction and provided students with valuable exposure to emerging knowledge areas and skill-enhancement opportunities.

A Skill Development Centre (SDC) for Python Programming and Data Analysis has been established with a grant of Rs. 8 Lac. To support this venture, a state-of-the-art Skill Lab has been established with 10 high-end 13th-generation i5 HP all-in-one desktops. Smart Interactive Panels have been installed to facilitate dynamic teaching, live demonstrations, and impactful session delivery in various interactive rooms. The Lab was formally inaugurated in November 2025. An Incubation Centre has also been set up to empower students into becoming job creators. It has a seed funding of up to ₹25,000, and collaborates with Samarth Bharat. Startup Ka Funda is one of the powerful initiatives floated by it.

The College continued its commitment to skill development and industry-oriented learning through the successful conduct of certificate courses and training programmes in collaboration with premier institutions and organizations. An **Advanced Certificate Course on "Forensic Science and Criminal Investigation"** was conducted in collaboration with the **Sherlock Institute of Forensic Science,** providing students with valuable insights into forensic methodologies, criminal investigation techniques, and contemporary practices in the field of forensic science. A **Summer Training Programme on "Advanced Excel with Data Visualization"** was organized during June–July 2025 in collaboration with the **E&ICT Academy, IIT Kanpur.** The programme equipped students with advanced data analysis, visualization, and spreadsheet management skills, enhancing their professional and analytical competencies.

Shivaji College is also an Academic Partner of the **Spoken Tutorial Project, IIT Bombay,** an initiative established under the **Ministry of Education, Government of India,** to promote IT literacy and digital skills across the country. As part of this collaboration, a series of self-paced certification courses were offered to students and faculty members. These courses covered a diverse range of topics, including **GChemPaint, Applications of GeoGebra, GUI in Scilab, Python, HTML, and JavaScript,** enabling participants to acquire practical technical skills and strengthen their digital proficiency. The college also offers a part-time certificate course in **German** through the Department of Germanic and Romance Studies, University of Delhi.

The **Women's Development Cell (WDC),** in addition to the Jijabai Achievers' Awards that it has been conferring annually since 2010 for excellence in community upliftment, sustainability, and culture, introduced two new awards in 2024–25: the Jijabai Young Achievers Award and the **Jijabai Employee Recognition Award.**

Student welfare remains a central priority of the College, with substantial financial assistance provided through various fee concessions and scholarship schemes aimed at promoting equity, inclusion, and access to higher education. During the academic year, the College, through its Fee Concession Committee, extended financial support to 511 students, with total assistance amounting to ₹19,07,840. A notable initiative was the Saksham Scholarship, which provided crucial support to 35 students who had lost one or both parents, awarding ₹10,000

each, amounting to a total of ₹3,50,000. In addition, two students under the scheme received fee waivers covering 50 per cent of their paid fees. The College also recognized and encouraged academic excellence through merit-based financial assistance. A total of 112 students securing a CGPA above 8.0 were awarded ₹4,000 each, amounting to ₹4,48,000, while 307 students with a CGPA below 8.0 received support of ₹3,000 each, with total disbursements reaching ₹9,21,000.

Further targeted assistance was provided through the Manohar Scholarship, under which 15 students received ₹10,000 each, amounting to ₹1,50,000. Additionally, two students were granted full fee waivers, representing financial support worth ₹29,720. To promote inclusive education, 38 students with disabilities were provided financial assistance of ₹240 each, amounting to a total of ₹9,120. These initiatives reflect the College's unwavering commitment to ensuring that financial constraints do not hinder students' academic aspirations and overall development.

The College remains committed to providing state-of-the-art infrastructure and a conducive academic environment for students and faculty members. During the academic year, several innovative and technology-driven enhancements were undertaken to strengthen the teaching–learning–mentoring process and support the evolving requirements of the National Education Policy (NEP)

framework. A major infrastructural expansion was achieved through the addition of 15 new rooms. Existing laboratories were strategically bifurcated to create additional classrooms and tutorial spaces, thereby addressing the growing academic needs of the institution. Furthermore, all departments were allotted separate and spacious departmental rooms. This significant development is particularly beneficial in the context of the fourth year of undergraduate studies under the NEP, as it provides dedicated spaces for research, innovation, mentoring, and academic supervision.

The College also undertook a comprehensive renovation of the Main Staff Room, replacing outdated furniture and fixtures with modern, ergonomic units to improve functionality, optimize space utilization, and maintain hygienic standards. In addition, a fully air-conditioned **Incubation Centre-cum-Staff Room** was established in the Jijabai Academic Block, equipped with modern amenities to facilitate academic collaboration, innovation, and professional engagement. To maximize the effective utilization of existing infrastructure, the Biochemistry laboratories were converted into modern classrooms. The Department of Geography further strengthened its academic and research capabilities with the establishment of a new **GIS Laboratory** equipped with 15 all-in-one desktop systems. Digital infrastructure across the campus also received a substantial boost with the operationalization of the **MyDU Wi-Fi** facility. More than 100 strategically installed access points now provide seamless, high-speed internet connectivity to support academic, research, and administrative activities.

The College inaugurated **"Smarika: The Shivaji College Souvenir Showcase,"** a landmark initiative dedicated to preserving and celebrating the institution's historical, cultural, and academic legacy while fostering a sense of pride and belonging among students, alumni, and faculty members. Several measures were undertaken to improve campus comfort and student welfare. Air-conditioning units were installed in the bamboo rooms, transforming these spaces into comfortable learning environments. The College canteen was upgraded to a fully air-conditioned facility, making Shivaji College one of the few colleges to offer such an amenity. The Girls' Common Room was also modernized with air-conditioning to ensure a more comfortable and inclusive campus experience.

To enhance classroom engagement and promote interactive learning, smartboards were introduced in teaching spaces. Additional water coolers were installed at key locations in the sports ground to provide students with continuous access to clean and purified drinking water. Recreational infrastructure was also strengthened through the installation of a dedicated Table Tennis facility in the multipurpose **Samarth Guru Ramdas Sabhagar,** offering students and faculty members a space for relaxation, recreation, and informal interaction. These developments collectively reflect the College's sustained efforts to create a modern, technology-enabled, student-centric campus that supports academic excellence, research, innovation, and holistic development.

The **Bhushan Granthalaya Library** continued to strengthen its role as a vital academic resource centre by further enriching its extensive collection of print and electronic learning materials. During the academic year 2025–26, the College Library added 1,936 new books to its holdings, taking the total collection to 86,453 books across diverse disciplines. The library also maintains a collection of 746 CDs covering a wide range of academic subjects and reference materials. To support teaching, learning, and research activities, the library subscribed to 7 scholarly print journals, 17 magazines, and 30 newspapers, with multiple copies available to ensure wider accessibility for students and faculty members. These resources help users stay informed about current developments in their respective fields as well as national and global affairs.

The library also maintains a rich reference collection comprising encyclopaedias, dictionaries, atlases, yearbooks, and other important

resources. In addition, it provides access to approximately 3,67,515 e-books, 51 high-quality electronic databases, and 44 digital archives subscribed through the Delhi University Library System (DULS). Users also have access to more than 13,000 e-journals through One Nation One Subscription (ONOS), nearly 6,00,000 e-books through the National Digital Library of India (NDLI), and 14,377 journals along with 2,35,581 e-books through DELNET.

The library has two air-conditioned reading halls for students and teachers, equipped with computer and internet facilities. An Online Public Access Catalogue (OPAC) ensures easy access to library resources. For visually challenged students, the library provides Braille kits, Braille books, Angel audio players, and other assistive facilities.

In addition to its rich print collection, the Library provides free access to an extensive range of electronic resources both within the College campus and through remote access facilities. Users can avail themselves of digital resources through the **Delhi University Library System (DU e-Library), NLIST, DELNET,** and the **One Nation One Subscription (ONOS)** initiative, thereby gaining access to a vast repository of e-books, e-journals, databases, and other scholarly resources. Through these efforts, the Bhushan Granthalaya continues to support academic excellence, research, and lifelong learning among the College community.

Shivaji College also takes pride in its vibrant alumni network through the **Shivaji College Alumni Association (SCAA),** officially registered under the Societies Registration Act on September 17, 2024. Its distinguished members include professionals like **Sh. D.K. Sharma, I.G. (Retd.),** and academic leaders across the University of Delhi.

As the nation commemorates the 150th anniversary of *Vande Mataram*—the immortal song that inspired generations of Indians in their struggle for freedom and awakened a profound sense of national consciousness—Shivaji College renews its commitment to the ideals of patriotism, service, and nation-building embodied in its timeless message. More than a song, *Vande Mataram* symbolizes devotion to the motherland, cultural pride, and the collective aspiration for a strong, self-reliant, and enlightened Bharat.

Inspired by this enduring legacy and aligned with the national vision of *Viksit Bharat @2047,* Shivaji College envisions its role as a transformative institution

dedicated to nurturing future thought leaders, innovators, scholars, and responsible citizens. Through a harmonious blend of tradition and modernity, scholarship and service, pedagogy and practice, the College seeks to cultivate intellectual excellence while instilling a deep sense of civic responsibility and national commitment. Rooted in the values of *Bhāratīya Sanskrti* and guided by the principles of holistic education, Shivaji College remains steadfast in promoting indigenous knowledge systems, research and innovation, environmental sustainability, social inclusion, and ethical leadership. As the echoes of Vande Mataram continue to inspire generations, the College reaffirms its resolve to contribute meaningfully towards the realization of a resilient, equitable, prosperous, and culturally confident Bharat by 2047.

VISION AND MISSION OF THE COLLEGE

Vision

Keeping in mind the essence of the college's motto, **"Amritam Tu Vidya"** (Knowledge is Eternal), Shivaji College is envisioned as a dynamic centre of higher learning and holistic development. "Transform One Life, Transform the Nation" is the vision of Shivaji College. This institution strives to attain excellence in all aspects and aspires to become a premier institution. It envisions itself as a seat of not only academic learning but also of holistic development. Our college proudly claims and continually endeavours to create a healthy and congenial environment conducive to innovation and progressiveness. Shivaji College stands as a distinguished institution deeply rooted in Bhāratīya Sa sk ti and the sacred pursuit of knowledge, wisdom, character-building, and self-realisation, echoing the Upanishadic teaching: **"विद्यया अमृतमश्नुते।"** (Īśā Upanishad, Mantra 11) meaning that, "Through knowledge, one attains immortality."

True Vidya in Bhāratīya Sanskrti is revered as a means to transcend the material world and achieve intellectual, volitional *(ichhā)*, and spiritual fulfilment. Rooted in this philosophy, Shivaji College remains committed to harmonising *jñāna* (knowledge), *karma* (action), *ichhā* (aspiration), and dharma (righteous duty), fostering academic excellence, cultural pride, and a profound sense of national and moral responsibility.

The institution creates a nurturing, progressive, and congenial environment conducive to innovation and creativity, where freedom of thought, expression, and cultural rootedness flourish. It strives continually to produce generation after generation of optimistic, resourceful, committed, passionate, and ethically grounded future leaders who can transform society and the nation positively in every respect.

Mission

Aligned with its vision, the mission of the college is to extend learning beyond conventional boundaries, providing experiential, interdisciplinary, and socially engaged education aimed at producing intellectually curious, environmentally conscious, and morally responsible individuals through the following core objectives:

Academic Excellence and Inquiry-Driven Environment:

To foster a rigorous, inquiry-driven academic atmosphere promoting research, interdisciplinary learning, and integration of Bharatiya knowledge systems with contemporary scientific advancements. The college currently offers 20 undergraduate and 3 postgraduate courses across 18 departments, serving over 4587 students.

Inclusivity, Democracy, and Cultural Diversity:

To nurture democratic values, social inclusivity, and respect for cultural diversity, ensure equitable opportunities for students who are differently abled or from economically weaker/ marginalised backgrounds, through targeted programmes and financial aid.

Gender Sensitivity and Intersectionality:

To instill sensitivity towards gender issues and intersectionality, the college encourages representation and empowerment of women and underrepresented communities through initiatives such as the Jijabai Awards, Women's Development Cell (WDC), and equal opportunity programmes.

Ecological Sustainability:

To embed ecological consciousness and sustainability, the college undertakes substantial campus initiatives, including a solar power plant, a 27 lakh+ litre sewage treatment plant, RO wastewater recycling, composting and vermicomposting units, the introduction of a beehive in the herbal garden, energy-efficient LED lighting, responsible e-waste disposal, and maintaining a vehicle-free zone.

Co-curricular and Cultural Engagement:

To encourage vibrant co-curricular engagement, the college regularly organizes cultural events such as **Vibrations 2026, Vasantotsav 2026, Shivaji Jayanti,** and **150 years of Vande Mataram** complemented by student-led societies, inter-departmental festivals, and extensive sports tournaments.

Experiential and Industry-Oriented Education:

To bridge the gap between theory and practice, the college encourages collaborative initiatives such as the **Principal Internship Scheme** (benefiting 43 students in 2025–26 with summer and year-long internships), interdisciplinary value-added courses (Forensic Science and Criminal Investigation, Certificate

Course in German Language, Technology for Functional Food and Nutraceuticals, Guide of Materials Characterization Techniques, Mental Ability and Logical Reasoning, Google Workspace Basics), and 07 industry-oriented MoUs with prestigious organizations/agencies such as Hindi Bhawan, K.R. Mangalam University, Mahatma Hansraj–Malaviya Mission Teacher Training Centre (MHM–MMTTC), Hansraj College, and Sherlock Institute of Forensic Science and HEFA.

Research, Innovation, and Intellectual Exchange:

To foster research and innovation, the College's Research and Innovation Cell has also granted 04 Intra-mural research projects of ₹1 lac each. College faculty members have bagged extramural research projects sponsored and funded by prestigious agencies. Higher Education Financing Agency (HEFA) has granted ₹50 Lac for research on "Evaluating microbial diversity of water and soil and its remedial measures for the potability of water in 'Kubad Patti' of Nagaur District, Rajasthan"; ICMR funded "Evaluation of Self Amplifying mRNA Mediated Enzyme Replacement Therapy for the Treatment of Phenylketonuria" with an amount of ₹1.03 Cr.; ICSSR has granted ₹30 lac for the topic "From Policy to Practice: A Longitudinal Study on Technical, Vocational Education and Training (TVET) Policy Transformations, Skill Gap Dynamics and Demographic Dividend Realization in India's National Capital Region"; Ministry of Ayush has funded "Awareness campaign about Shatavari (Asparagus racemosus wild.) and its sapling distribution among students and residents in selected districts of NCT-Delhi." with a grant of ₹18.9 Lac. Apart from this, Indian National Science Academy has also funded projects. The college has also launched **Shivraj 350: Multidisciplinary Journal** as a premier platform for scholarly discourse.

Infrastructure Development and Technological Advancements:

In its continuous endeavour to strengthen academic and administrative infrastructure, the College undertook several significant developmental initiatives during the year. A comprehensive renovation of the Main Staff Room was carried out, replacing outdated furniture and fixtures with modern, ergonomic units to enhance functionality, optimize space utilization, and maintain hygienic standards. A fully air-conditioned Incubation Centre-cum-Staff Room was also established in the Jijabai Academic Block to support academic collaboration, innovation, and professional engagement. To ensure the optimum utilization of existing resources, the Biochemistry laboratories were

converted into modern classrooms, while the Department of Geography augmented its teaching and research capabilities through the establishment of a state-of-the-art GIS Laboratory equipped with 15 all-in-one desktop systems. The College's digital infrastructure received a major boost with the operationalization of the MyDU Wi-Fi facility, supported by more than 100 strategically installed access points that provide seamless high-speed internet connectivity across the campus for academic, research, and administrative purposes. The inauguration of "Smarika: The Shivaji College Souvenir Showcase" marked a significant step towards preserving and celebrating the institution's rich historical, cultural, and academic legacy while fostering a sense of pride and belonging among students, alumni, and faculty members. Recreational facilities were further enhanced through the creation of a dedicated Table Tennis unit in the multipurpose Samarth Guru Ramdas Sabhagar, providing a space for relaxation, recreation, and informal interaction. The College also takes pride in its five state-of-the-art auditoriums, named after illustrious historical personalities—Chanakya, Peshwa Bajirao, Chhatrapati Sambhaji, Tanaji Malusare, and Samarth Guru Ramdas—which serve as vibrant venues for academic, cultural, and co-curricular activities. These developments form an integral part of the College's Infrastructural Development Plan (IDP), which is implemented in complete alignment with the Vision and Mission of the institution and reflects its commitment to creating a modern, inclusive, and intellectually stimulating campus environment.

Student Financial Support and Scholarships:

Student welfare remains a cornerstone of the College's commitment to equity, inclusion, and accessible higher education. Through its Fee Concession Committee, the College extended financial assistance to 511 students during the academic year, with total support amounting to ₹19,07,840. A significant component of this assistance was the Saksham Scholarship, under which 35 students who had lost one or both parents received financial aid of ₹10,000 each, amounting to ₹3,50,000, while two additional beneficiaries were granted fee waivers covering 50 per cent of their paid fees. The College also promoted academic excellence through merit-based support, awarding ₹4,000 each to 112 students securing a CGPA above 8.0 (totaling ₹4,48,000) and ₹3,000 each to 307 students with a CGPA below 8.0 (totaling ₹9,21,000). Further assistance was provided through the Manohar Scholarship, under which 15 students received

₹10,000 each, amounting to ₹1,50,000. In addition, two students were granted full fee waivers worth ₹29,720, while 38 students with disabilities received financial support totaling ₹9,120. These initiatives underscore the College's unwavering commitment to ensuring that financial challenges do not impede students' educational pursuits, thereby fostering an inclusive and supportive learning environment that enables every student to realize their academic potential.

Faculty Advancement and Institutional Leadership:

To support continuous professional growth, the college regularly promotes teachers according to UGC norms, encourages faculty participation in international conferences, encourages the faculty to take up distinguished leadership positions within Delhi University, thereby enhancing the institutional reputation and influence.

Community Engagement and Social Responsibility:

The college actively engages students through National Service Scheme (NSS) and National Cadet Corps (NCC), organises extensive community outreach programmes focused on environmental sustainability, health awareness, social responsibility, and national pride through events like Republic Day parades, leadership camps, and the commemoration of other significant days like the Kargil Vijay Diwas and the International Yoga Day.

Sports, Wellness, and Campus Amenities:

To enhance campus amenities by renovating sports facilities (basketball courts, cricket tournaments, athletics meets), upgrading common rooms (Girls' Common Room with sanitary dispensers and refrigerators, Boys' Common Room), installing clean drinking water facilities, and improving canteen hygiene to foster an inclusive and supportive learning environment.

COLLEGE INITIATIVE & INFRASTRUCTURE

Reputed Faculty

Shivaji College has a dedicated and dynamic faculty that fosters holistic development by encouraging students to think beyond textbooks and engage with real-world issues. Several faculty members supervise Ph.D. scholars and are actively involved in UGC-funded research and university-sponsored Innovation Projects. The Internal Quality Assurance Cell (IQAC) plays a key role in maintaining academic standards and monitoring student progress, ensuring a culture of continuous improvement and excellence in teaching.

Bhushan Granthalaya: College Library

Shivaji College Library, also known as "Bhushan Granthalaya," serves as a distinct academic space that provides students with ample resources to support their studies. The library houses a diverse collection of more than 86,453 books and 746 CDs across various disciplines. It subscribes to 30 newspapers, 17 magazines, and 7 print journals.

The library also maintains a rich reference collection comprising encyclopaedias, dictionaries,

atlases, yearbooks, and other important resources. In addition, it provides access to approximately 3,67,515 e-books, 51 high-quality electronic databases, and 44 digital archives subscribed through the Delhi University Library System (DULS). Users also have access to more than 13,000 e- journals through One Nation One Subscription (ONOS), nearly 6,00,000 e-books through the National Digital Library of India (NDLI), and 14,377 journals along with 2,35,581 e-books through DELNET.

The library has two air-conditioned reading halls for students and teachers, equipped with computer and internet facilities. An Online Public Access Catalogue (OPAC) ensures easy access to library resources. For visually challenged students, the library provides Braille kits, Braille books, Angel audio players, and other assistive facilities.

Sports and Games

Shivaji College offers an extensive array of sports and games facilities designed to meet the diverse needs of its students. The institution is equipped with a well-maintained sports complex that includes a football field, basketball court, volleyball courts, tennis courts, and a cricket ground, along with indoor provisions

for chess and table tennis. Supporting amenities such as floodlights, locker and changing rooms, drinking water stations, storerooms, grounds, men's room, and washrooms further enhance the infrastructure. Students actively engage in both inter-college and intra-college tournaments, consistently demonstrating their skills and sportsmanship. The college places strong emphasis on fostering a healthy balance between academics and athletics, ensuring that students are provided with ample opportunities to excel in their chosen disciplines both on and off the field.

College Cafeteria

The college cafeteria is a fully air-conditioned popular student hangout offering hygienic, affordable food in a lively setting. A Bru kiosk and a Vadilal booth on campus further add to the variety of snacks and beverages available.

Leisure and Recreation

To support student welfare and engagement, the college provides fully furnished, air-conditioned Common Rooms for **both girls and boys**. These spaces offer a comfortable environment where students can relax, interact, and take part in informal activities

Laboratories

The college is equipped with modern and efficiently managed laboratories for science and humanities courses offered, such as Physics, Chemistry, Zoology, Geography, Biochemistry, and Botany. There are 9 laboratories in the old building, two each in Physics (with a dark room in each laboratory), Botany, Zoology, and Chemistry departments. There are two laboratories in the department of geography: equipped withG IS and remote sensing laboratory and a state Cartography laboratory for map-making and spatial visualization. There are four instrumentation laboratories, one each in the Botany, Biochemistry, Chemistry, and Physics departments, and one museum in the Zoology department. In addition to these, there are four computer laboratories. All laboratories are Wi-Fi enabled and equipped with projectors. Additionally, new laboratories were assigned in Jijabai Academic Block to the Departments of Biochemistry, Botany, Chemistry, Zoology, and Computer Science with the latest state-of-the-art computers.

Magazine

The college magazine, **Shivraj,** provides a platform for young minds to share their experiences, thoughts, and opinions. The magazine publishes contributions from students and teachers in English, Hindi, and Sanskrit. Articles, poems, essays, and stories display the literary skills of students across various disciplines. The participation of students is actively encouraged by holding a cover design competition, which provides creative input in bringing out the magazine.

College Auditoriums

The college has four auditoriums with air conditioning: Peshwa Bajirao Auditorium, Chhatrapati Sambhaji Auditorium, and Tanaji Malusare Auditorium in the new building, and additionally Chanakya Sabhaghar in the old building. The auditoriums are well-equipped with a state-of-the-art audio-visual system, a projector, and stage lighting arrangements. They are the centre for various extracurricular, cultural, and educational activities like seminars, talks, debates, plays, movie screenings, and departmental festivals. For many students, the auditoriums provide the stage where they overcome their stage fright and learn to give their first performances in their college life.

Research Avenues and Opportunities

The college promotes interdisciplinary and transdisciplinary research through innovation projects that entail research grants. There are also research laboratories in the new Jijabai academic block. Free Wi-Fi login ensures that the students access e-journals and online databases subscribed to by the University of Delhi.

Foreign Language Certificate Courses in German and French

The Add-on and Value-Added Courses Committee of Shivaji College was formed to offer students a wide range of learning opportunities beyond the regular curriculum. These courses extend beyond traditional academic boundaries, providing practical skills and valuable insights. Among them, the college offers certificate courses in German and French, open to students from all streams. Each course spans two semesters, with classes held three times a week. To be eligible for the end-semester examination, students must maintain a minimum attendance of 66 percent. Upon successful completion of both semesters, students receive a certificate from the University of Delhi.

Student Information System

Shivaji Platform for Academic Connect and Empowerment (SPACE) is a state-of-the-art ERP system. It is a digital platform for all students that provides online access to monitor attendance and internal assessment.

Banking Facility

The college has a Central Bank of India branch on its premises. Teaching staff, non-teaching staff, and students can open accounts and use other banking facilities there.

Xerox Facility

There are two Xerox centres within the college, where students can use photocopying and bookbinding facilities at a nominal rate. One photocopy outlet is adjacent to the main gate, and the other operates from the library premises.

World University Service (WUS) Health Centre

The college has a WUS Health Centre on the premises for students and university members. Students can avail themselves of health facilities - emergency services, free consultation, and free medical benefits - at a nominal rate of Rs. 120/- annually.

ICT-Enabled and Future-Ready Campus

Shivaji College is committed to integrating technology into education and campus operations. The college has upgraded its ICT infrastructure with newly installed and refurbished projectors, advanced presentation systems, and the upcoming addition of 21 new computers. WiFi connectivity has been significantly enhanced with the installation of routers and LAN access across multiple floors, ensuring seamless internet access. A network of CCTV cameras strengthens campus security, making the college both digitally empowered and future-ready.

Skill Development Centre

Shivaji College has been granted a Skill Development Centre (SDC) for Python Programming and Data Analysis to equip students with in-demand technical skills through hands-on training in Python, data handling, and data visualization. Aligned with the vision of the National Education Policy (NEP) 2020, the Centre offers flexible and inclusive learning opportunities for students across all disciplines. With a strong emphasis on employability, the SDC aims to bridge the gap between academic learning and real-world application

Green Initiatives

Shivaji College supports sustainability through composting units (bio-compost and vermicompost), waste recycling including paper recycling units , a solar power plant, and a modern sewage treatment system. The campus also reuses RO waste-water, keeps a beehive in the herbal garden, uses LED lighting, disposes of e-waste properly, and has a vehicle-free zone. All of this shows the college's strong commitment to a green and eco-friendly environment.

Harmonious Environment

The college authorities have installed a complaint box for students outside the principal's office, where grievances related to sexual harassment, ragging, and eve-teasing can be submitted. The college campus is a smoke-free and vehicle-free zone, which provides a healthy environment for students' well-being.

LIFE BEYOND ACADEMICS - COMMITTEES

Add-on and Value-Added Courses Committee

The Add-on and Value-Added Courses Committee at Shivaji College is committed to enriching students' learning experience by offering skill-oriented, interdisciplinary, and industry-relevant courses that complement the regular curriculum. These courses are designed to enhance skills, develop practical competencies, and promote lifelong learning among students. During the 2025–26 academic session, the College successfully conducted a range of interdisciplinary and inter-college add-on courses. As an Academic Partner of the Spoken Tutorial Project, IIT Bombay, Shivaji College offered six self-paced certification courses in Python, LaTeX, Arduino, R, Gnuplot and Avogadro for students and faculty. The College also offered part-time Certificate Courses in French and German in collaboration with the Department of Germanic and Romance Studies at the University of Delhi, enabling students to develop foreign-language proficiency and broaden their global perspectives. Under a Memorandum of Understanding (MoU) with the Sherlock Institute of Forensic Science, India, the College offered a Certificate Course in "Forensic Science and Criminal Investigation", open to all bona fide Indian nationals. Furthermore, in collaboration with the E&ICT Academy, IIT Kanpur, the College conducted a Certificate Course on "Advanced Excel with Data Visualization", equipping

students with essential data analysis and visualization skills. Through these initiatives, the Add-on and Value-Added Courses Committee of Shivaji College fosters holistic development by integrating academic learning with practical expertise, professional skills, and industry exposure, preparing students to excel in higher education and diverse career pathways.

Alumni Relations Committee

The alumni of Shivaji College (University of Delhi) have made significant contributions across various fields, including law, academics, civil services, armed forces, arts and entertainment, sports, corporate sectors, and entrepreneurship. The college takes pride in honouring our distinguished alumni, including Vir Chakra awardees (posthumously) and Kargil heroes, Shaheed Captain Sumeet Roy and Shaheed Captain Haneef Uddin. Recently, our alumnus Rohin Kumar, who completed his B.A. (Programme), achieved an impressive AIR 39 in the UPSC Civil Services Exam. Additionally, several alumni have qualified for the 70th Bihar Public Service Commission with commendable ranks. Mr. Manoranjan Kumar, an alumnus with a B.A. (Honours) in Political Science, secured the 46th rank in this examination. The college has an active Alumni Relations Committee (ARC) that fosters connections within a vibrant alumni network. This committee serves as a liaison between alumni and current students, promoting the exchange of knowledge, opportunities, and resources for student growth and development.

The ARC engages in various initiatives, including: Lecture Series: Distinguished alumni are invited to share their experiences and knowledge to inspire and encourage students. Student Mentorship Program: Notable alumni mentor students on specific topics, such as government fellowships and further education programs. Know Your Alumni: Students create podcasts featuring prominent alumni, which are then published. Social Media Series: Initiatives like 'Humans of Shivaji' include conversations with young alumni, while 'My

Experience with Internships' showcases the experiences of students participating in internships during their undergraduate education.

Our annual event, 'Alumni Meet,' allows alumni to reconnect with their former institution, strengthen relationships, and motivate current students. On September 17, 2024, the Shivaji College Alumni Association was established under the Societies Registration Act of 1860 (Reg. No. SOCIETY/WEST/2024/8902807). The Alumni Relations Committee and the Shivaji College Alumni Association (SCAA) work together to raise funds and promote the college's welfare and progress. The SCAA has provided scholarships to thirty students from economically weaker sections, sponsored a national-level add-on course on "Technology for Functional Foods and Nutraceuticals," organized a seminar on "Intellectual Property Rights" and the "Shri D.K. Mudgal Delhi State Senior Volleyball Championship" during the 2025-26 session for students. The alumni network also facilitates summer internship and training opportunities for Shivaji College students. The Alumni Relations Committee and Alumni Association are dedicated to honouring the enduring bond between alumni and their alma mater while leveraging their expertise for the multidimensional growth of our institution.

Centre for Environment and Disaster Management Committee

The Centre for Environment and Disaster Management (CEDM) at Shivaji College, University of Delhi, is a crucial centre dedicated to advancing research, education, and practices in environmental sustainability and disaster resilience. CEDM focuses on interdisciplinary approaches to address pressing environmental challenges and disaster risks, fostering a comprehensive understanding of the interplay between human activities and natural systems.

Through its initiatives, the centre aims to cultivate awareness, promote sustainable practices, and develop strategies for effective disaster management. Centre believes that disaster risk reduction is possible only through promotion of a "Culture of Prevention" involving all stakeholders. By engaging students, faculty, and the broader community, CEDM strives to create a knowledgeable and proactive society capable of mitigating environmental issues and enhancing disaster preparedness and response.

College Research and Innovation Cell, Shivaji College

The College Research and Innovation Cell (CRIC) at Shivaji College, University of Delhi, is a dynamic initiative that fosters a robust research ecosystem by encouraging faculty and students to engage in interdisciplinary research and innovative projects. The cell is committed to academic excellence and provides a platform for knowledge exchange through workshops, seminars, and funding opportunities, ultimately promoting impactful contributions to society.

Objectives and Activities

The CRIC aims to advance research culture within the college by facilitating collaborations with research institutions, industries, and policymakers. It serves as a catalyst for groundbreaking discoveries and sustainable solutions by supporting faculty and students in their academic pursuits.

Key initiatives include:

Annual Research Fest – Srijan: The flagship event of CRIC, Srijan, provides a platform for students and faculty to showcase their research findings. Srijan 2026 under the aegis of the IQAC was held on 12th April 2026 and aimed to promote undergraduate research, innovation, interdisciplinary collaboration, and student-led academic activities. Distribution of

Completion Certificates for Minor Research Projects Sanctioned during the 2024–25 Academic Year.Principal investigators, received award certificates from the Principal of Shivaji College.

Minor Research Projects: In the academic session 2025-26, the Cell sanctioned five Minor Research Projects under the Intramural Research Scheme, with each project receiving a grant of Rs. 1 lakh. This initiative supports faculty members in pursuing impactful research endeavors along with students.

Publication of 'Shivraj 350: Multidisciplinary Journal': To further academic excellence, CRIC has launched Shivraj 350 Multidisciplinary Journal; the first issue is expected to be released by July 2026.

Eminent Speakers and Collaborations:

CRIC regularly invites distinguished academicians and industry experts to share insights on contemporary research challenges and opportunities. As part of Srijan 2026, the cell has scheduled engaging talks by eminent dignitaries, including, Prof. Rupam Kapoor, Professor in the Department of Botany at University of Delhi. She is also serving as the Dean, Foreign Students' Registry at the University of Delhi and has served as a keynote speaker/chief guest at SRIJAN 2026, sharing insights on research, innovation, and scientific inquiry with students and faculty.

Under the leadership of Prof. Virender Bhardwaj, Principal and Dr. Abhijeet Mishra,

Convenor of the College Research and Innovation Cell, CRIC continues to be a pioneering force in nurturing a research-driven environment at Shivaji College. By promoting interdisciplinary collaboration, offering funding support, and

organizing knowledge-sharing events, the Cell plays a pivotal role in advancing academic research and innovation within the institution.

Cultural Committee

The Cultural Committee of the college stands as a beacon of artistic and aesthetic expression, offering students abundant opportunities to showcase their diverse talents through its seven dynamic societies. Throughout the academic year, the Cultural Committee orchestrates a variety of enriching programmes, beginning with the Orientation Programme designed to seamlessly integrate freshers into the college community. Patriotic and entertaining performances are put together to celebrate Independence Day. In partnership with SPIC MACAY, the college immerses students in the rich and diverse cultural heritage of India, featuring classical dance and music performances.

The pinnacle of the activities of the Cultural Committee is the annual cultural festival, VIBRATIONS. This festival draws participants from various institutions who compete in events spanning debating, music, fashion, dance, fine arts, photography, and theatre, all within a spirited and supportive atmosphere. The festival culminates in a grand star-night finale. Each society within the Cultural Committee conducts auditions for new members at the beginning of the academic year.

The societies are as follows:

BIZZARE – The Fashion Society: Bizarre attracts extensive student participation and stages performances that rival professional shows. Fashion presentations

are woven with socially relevant themes, garnering widespread acclaim. The society organizes “Panache”, a major competitive event drawing numerous teams. Bizarre is a highly awarded society in both intra and inter-university competitions.

DICTUM – The Public Speaking Society: Dictum offers a unique platform for students to exchange ideas through parliamentary and conventional debating formats in both English and Hindi. The society hosts prestigious annual competitions, such as “The Shivaji Bhonsle Debate Competition”, “Jijabai Paramparik Vad-Vivad Pratiyogita” and “Athena”, which enjoy high popularity within the university circuit, receive a high turnout and elicit enthusiastic response.

FOOTLOOSE – The Dance Society: Footloose provides a premier platform for students with a passion for dance. The annual event of the society “Tanzmania”, attracts substantial participation from across colleges and universities, showcasing exceptional talent and creativity. The dance society appoints a choreographer every year for developing the skills of the students for participating in different events organised by various institutes and universities.

REVERB – The Music Society: Reverb nurtures students with a passion for vocal and instrumental music. The society performs at all major college events, including Independence Day, Republic Day, Shivajji Jayanti, consistently earning high praise. Reverb’s Annual festival, “Swaranjali”, draws participants from various colleges. Many students of Reverb have pursued professional careers in music

SHUTTERBUGS – The Photography and Filmmaking Society: Shutterbugs, the Photography and Film making Society, develops the skills of its members to a professional level, with their work receiving accolades at numerous events. The society works on advanced post-processing techniques, organizes photography trips across the country, and hosts interactive sessions with experienced photographers and filmmakers. Shutterbugs' annual event, "Cinedrome", features a variety of competitive activities.

VAYAM – The Theatre Society: Vayam is one of the most distinguished theatre groups at the University of Delhi, with an impressive array of awards. The society has been recognized for best team performances, scripts, direction, music, and acting, Vayam has performed at renowned venues such as NSD, Prithvi Theatre, Siri Fort Auditorium, and Kamani Auditorium. Vayam organises its annual events: "Udghosh" – Street Play Competition and "Rang Prasang" – Stage Play Competition and receives substantial media coverage.

VIBGYOR: The Fine Arts Society

VIBGYOR is the Fine Arts Society of Shivaji College, University of Delhi, dedicated to nurturing and showcasing the artistic talents of students. Recognized as one of the most active art societies within the university, VIBGYOR provides a vibrant platform for students passionate about visual arts. VIBGYOR organizes its annual feast, ACRYLICA, featuring a range of events such as art battles, exhibitions, and workshops and an intercollege art exhibition competition and competitions like Sketch-Doo-Paint, which attract enthusiastic participation from students across colleges.

The society conducts workshops like “Kala Kaksha” to enhance artistic skills of students in different art forms. Members actively participate in inter-college festivals, earning accolades in various competitions such as newspaper dressing and T-shirt doodling. Through its diverse activities, VIBGYOR fosters a creative environment, encouraging students to explore and express their artistic abilities.

TEDx Shivaji College

TEDxShivajiCollege connects and gives a platform to speakers with ideas that change perspectives and promote engaging, thought-provoking conversations. TEDx events feature a combination of TED Talk videos and live presentations to inspire new possibilities and drive local action. TEDx's global motto, "Ideas Worth Spreading," aligns with the mission of Shivaji College – "Transform one life, transform the nation." Notably, only a select few colleges in the University of Delhi have successfully hosted TEDx events. This year, the event was held on the theme "Gravity and Glitch". The theme explores the balance between stability and transformation, exploring how challenges and new perspectives can inspire growth, innovation, resilience, and positive change.

Environment and Sustainability Committee

The Environment and Sustainability Committee at Shivaji College is a key aspect of the institution's dedication to environmental responsibility and sustainable development. This committee includes various subcommittees, such as the Eco Club and Garden Subcommittee which actively promote ecological awareness and green practices among students, faculty, and staff through nature walks, workshops, training sessions, and expert talks. The committee's extensive responsibilities include both infrastructural and community-based sustainability initiatives, establishing Shivaji College as a model green campus within the University of Delhi. A significant responsibility of the committee is the operation and maintenance of the college's 130 KLD Sewage Treatment Plant (STP) and 10 KLD Effluent Treatment Plant (ETP), which work together to efficiently treat and recycle on-campus wastewater. The treated water is reused for horticultural purposes, reducing reliance on freshwater resources and supporting circular water management. Additionally, the college partially relies

on renewable energy, thanks to a 75-kW rooftop on-grid solar power generation system. This system consists of 300 solar photovoltaic modules (SPM) of 25 watts each and is connected to the TPDDL DISCOM solar metering system. This initiative not only helps diminish the college's carbon emissions but also lowers overall electricity costs.

The committee also manages a rainwater harvesting facility (water recharge pits), further contributing to the college's environmental sustainability initiatives. In terms of waste management, an integrated system is in place, including a bio-composting unit, vermicomposting pits, and bio-bins to convert food and other organic waste into nutrient-rich compost. This compost is effectively used in maintaining the college's gardens and green spaces, thereby completing the cycle of organic waste. Biodiversity conservation is another essential function of the committee. The college boasts beautifully landscaped lawns and gardens across its 6.5-acre green campus, which is home to approximately 500 trees representing 60 diverse species, each meticulously tagged with its scientific and common names. A dedicated 220-square-meter herbal garden features more than 70 medicinal plant species, including tulsi (holy basil), aloe vera, ashwagandha, neem, shatavari, and brahmi. These green spaces not only enhance the campus's aesthetic appeal but also serve as living laboratories for environmental learning and awareness.

The Garden Subcommittee oversees the maintenance of the college garden and green spaces and participates in the University of Delhi's Annual Flower Show. Shivaji College won 10 awards across three categories at the 68th Annual Flower Show for the 2025-26 session, earning the "University Architect's Cup" for Palms and second place for "Best Green Practices in College," along with third place for "Best Herbal Garden." Additionally, the Alocasia grown in the herbal garden received first place, while Dracaena and Cycas received second and third places, respectively, in the individual plant categories. Regular green and energy audits are conducted by certified agencies to assess and continuously improve the campus's environmental performance. These audits help identify gaps, set benchmarks, and guide future sustainability initiatives. Shivaji College completed its green and energy audits in February 2026 and is certified by the external green audit agency, ABP Industries, until 2030. Through consistent and innovative efforts, the Environment and Sustainability Committee significantly

contributes to fostering a culture of sustainability at Shivaji College and empowering its stakeholders.

Inclusion Committee

The Inclusion Committee of Shivaji College caters to the need of promoting the idea of inclusivity in the campus. The **Enabling Unit**, the **North East Cell,** and the **Centre for Promotion of Inclusivity** jointly function together under the rubric of the Inclusion Committee. The joint effort of students and faculty members of the committee helps in creating a sensitized environment of equality, empathy and acceptance of diversities in the campus and beyond.

The Committee also actively organizes various forms of events and activities to stimulate the minds of the students and faculty alike towards nurturing a consistent awareness to build a more informed and sensitized space in the campus.

National Service Scheme (NSS)

National Service Scheme (NSS), Shivaji College is dedicated to the motto "Not Me, But You," nurturing the values of selfless service, leadership, social responsibility, and community engagement among students. The unit actively organizes awareness campaigns, cleanliness drives, health and environmental initiatives, street plays, special camps, and cultural programmes that create a meaningful social impact. Through its commitment to nation-building, volunteerism, and holistic personality development, NSS Shivaji College continues to empower young minds to become responsible, compassionate, and socially conscious citizens.

National Cadet Corps (N.C.C.)

The National Cadet Corps (NCC) is one of the most prestigious youth organizations in India, dedicated to developing character, discipline, leadership, teamwork, and a spirit of patriotism and service among cadets. The NCC unit of the college provides students with valuable opportunities for personality development through structured training, adventure activities, social service, and community engagement.

The Boys' Division of Shivaji College NCC is affiliated with the 2 Delhi Battalion, ITI PUSA, New Delhi, while the Girls' Wing is associated with the 7 Delhi Girls Battalion, Kirti Nagar.

The unit has consistently brought recognition to the college through its achievements and active participation in various activities. Cadets participate in drills, camps, parades, weapon training, yoga sessions, trekking, and national integration programs that help build confidence, teamwork, and leadership qualities. The college encourages students to actively participate in NCC activities such as Republic Day Camp selection, Annual Training Camps, blood

donation drives, cleanliness campaigns, and disaster relief initiatives. NCC also provides students with valuable opportunities for personality development and serves as a pathway for those aspiring to join the Armed Forces. Holders of the NCC 'C' Certificate are eligible for certain reserved vacancies in IMA and OTA, along with direct entry to SSB interviews.

Students interested in joining NCC may apply through the NCC in-charge at the beginning of the academic session.

Placement and Internship Cell

Shivaji College has a dynamic and proactive placement and internship cell committed to enhancing the employability and professional development of students. It facilitates a wide range of internship and placement opportunities while serving as a bridge between students and industry. The cell organises skill development workshops, seminars, and training sessions aimed at equipping students with the competencies required in today's competitive job market. These programmes focus on areas such as resume writing, interview preparation, personality development, communication skills, career planning, and emerging industry trends in India and abroad. Students can register themselves for placements/internships through the link provided on the college website.

The cell also maintains close coordination with the Central Placement Cell of the University of Delhi, ensuring that students benefit from recruitment drives and career opportunities offered at the university level. In the academic session 2025–26, the cell, in collaboration with the Skill Development Centre of Shivaji College, successfully conducted workshops on Power BI, Tableau, and research methodology, enabling students to acquire industry-relevant and analytical skills. In various on-campus drives held in the session 2025-26, the cell maintained engagement with a floating pool of more than 200 companies offering diverse placement and internship opportunities to students.

Additionally, the cell organises a placement and internship fair every year at the college, providing ample opportunities for students. Over 50 organisations participated in the annual Internship and Placement Fair, Crescita '26, creating a vibrant platform for student recruitment and industry interaction. A notable feature of the year was the participation of several organisations visiting the college for the first time, including Galytix, Master's Union, Deltax, Recruit CRM, BDO India LLP, Amerix Cancer Hospital, and Amura Health. Their participation expanded the range of opportunities available to students across various sectors.

The cell strongly encourages students to undertake internships during their summer breaks, as these experiences provide valuable industry exposure, practical learning, and professional networking opportunities that enhance

career readiness. The Placement and Internship Cell continues to play a pivotal role in supporting students' career aspirations and facilitating their successful transition from academia to the professional world.

Principal Internship Scheme

The Principal Internship Scheme (PIS) was launched in 2024 with the aim of providing students with meaningful institutional exposure, hands-on administrative and academic experience, and opportunities to develop professional, organizational, and interpersonal skills within the college environment. The scheme seeks to strengthen student engagement with institutional processes while fostering responsibility, teamwork, and leadership.

Through its Summer and Academic Session Internship programmes, Shivaji College continues to strengthen experiential learning opportunities for students, reaffirming its commitment to holistic development and the preparation of future-ready professionals.

SUMMER INTERNSHIP 2026

Shivaji College successfully initiated its inaugural **Summer Internship** under the Principal Internship Scheme (PIS) 2024–25 to provide students with practical exposure and experiential learning opportunities during the summer vacation.

Students are shortlisted based on their **CGPA** and undergo a rigorous selection process consisting of a **MCQ test, group discussion, and personal interview.** Following the selection process, 15 interns are selected each year and deputed across various domains of the College, including the Administrative Office, Admissions, IQAC, Library Services, and Accounts Department.

The Summer Internship is conducted annually during June and July and requires

interns to complete **120 hours** of work. Each selected intern receives a remuneration of **₹6,000** upon successful completion of the programme.

Over the past two years, 30 student interns have successfully completed the Summer Internship, gaining valuable hands-on experience in institutional functioning, workplace responsibilities, and professional work culture.

ACADEMIC SESSION INTERNSHIP 2026

The Academic Session Internship under the Principal Internship Scheme (PIS) is designed to provide students with structured exposure to the academic and administrative functioning of the College, while enabling them to develop professional skills, institutional understanding, and practical work experience alongside their regular studies.

Each intern is required to complete a **200-hour assignment** during the academic session, spread over the period from September to March. The selection process is based on **CGPA, performance in the MCQ test, and personal interview.**

The selected interns are deputed to the College Office, IQAC, Library, and various academic departments, depending on institutional requirements and departmental recommendations. On successful completion of the internship, each intern receives a remuneration of **₹12,000.**

Over the last two years, a total of **81 students** have benefited from the Principal Internship Scheme and were felicitated with certificates in recognition of their dedicated involvement and successful completion of the internship.

Both internship schemes have proved instrumental in bridging the gap between theoretical learning and practical application by enabling students to apply their academic knowledge in real-world institutional settings. In addition, the internships have contributed significantly to the development of essential technical and soft skills such as communication, teamwork, leadership,

problem-solving, and professional ethics, thereby enhancing students' overall employability and career readiness.

Rajbhasha Committee

राजभाषा समिति या राजभाषा कार्यान्वियन समिति शिवाजी कॉलेज में राजभाषा के कार्यान्वियन के लिए एक दायित्वपूर्ण निकाय के रूप में कार्य करती है। यह समिति शिवाजी कॉलेज के शिक्षकों, विद्यार्थियों और गैर शिक्षण कर्मचारियों के बीच राजभाषा नीति के क्रियान्वयन का मूल्यांकन करती है और गृह मंत्रालय के राजभाषा विभाग के निर्देशों का अनुपालन सुनिश्चित करने में अग्रणी भूमिका निभाती है।

ध्यातव्य है कि शिवाजी कॉलेज दिल्ली विश्वविद्यालय के उन चुनिंदा कॉलेजों में से एक है जिन्होंने दो साल के कार्यकाल के साथ माननीय सांसद श्री भर्तृहरि महताब की अध्यक्षता वाली प्रतिष्ठित संसदीय कार्यान्वियन समिति के समक्ष अपना निरिक्षण सफलतापूर्वक पूरा किया है साथ ही संसदीय राजभाषा समिति से प्राप्त महत्वपूर्ण निर्देशों और सुझावों को त्वरित गति से शिवाजी कॉलेज में कार्यान्वित किया है।

शिवाजी कॉलेज की राजभाषा समिति को दिल्ली विश्वविद्यालय के सभी कॉलेजों के बीच नगर राजभाषा कार्यान्वियन समिति(नराकास) का सदस्य होने पर गर्व है। यह समिति छात्रों, शिक्षकों और संस्थान के कर्मचारियों के बीच राजभाषा के कार्यान्वियन का लगातार मूल्यांकन करती है। प्राचार्य प्रोफेसर वीरेंद्र भारद्वाज के नेतृत्व में राजभाषा समिति राजभाषा हिंदी पर केंद्रित महत्वपूर्ण वार्षिक कार्यक्रमों का आयोजन करती है, जिसमें लेखन प्रतियोगिताएँ, हिंदी में हस्ताक्षर अभियान, वेबसाइट एवं टीवी स्क्रीन के माध्यम से राजभाषा नीति संबंधी निर्देशों एवं उद्धरणों का प्रसारण एवं हिंदी भाषा शिक्षण, नियमित अंतराल पर कार्यशालाएँ एवं संगोष्ठियाँ का आयोजन शामिल है। इन गतिविधियों एवं कॉलेज में राजभाषा प्रनामा कार्यान्वियन की विस्तृत रिपोर्ट कॉलेज वेबसाइट एवं नराकास केंद्र के साथ साझा की जाती है।

पिछले वर्ष माननीय गृहमंत्री श्री अमित शाह की अध्यक्षता में भारत मंडपम, नई दिल्ली में आयोजित राजभाषा विभाग स्वर्ण जयंती समारोह में शिवाजी कॉलेज राजभाषा समिति के संयोजक एवं नोडल अधिकारी डॉ. तरुण ने शिवाजी कॉलेज का प्रतिनिधित्व किया।

25 मई 2025 को जामिया मिलिया इस्लामिया विश्वविद्यालय के माननीय कुलपति प्रोफेसर मज़हर आसिफ की अध्यक्षता में आयोजित नगर राजभाषा कार्यान्वियन समिति (दिल्ली मध्य) की महत्त्वपूर्ण बैठक में शिवाजी कॉलेज ने दिल्ली विश्वविद्यालय के एकमात्र प्रतिनिधि के रूप में अपनी प्रतिभागिता सुनिश्चित की एवं संयुक्त निदेशक (राजभाषा) गृह मंत्रालय के समक्ष राजभाषा कार्यान्वियन की छमाही रिपोर्ट प्रस्तुत की।

राष्ट्र निर्माण के इस महान प्रयास में शिवाजी कॉलेज अपने प्राचार्य प्रोफेसर वीरेंद्र भारद्वाज के नेतृत्व में राजभाषा नीति के क्रियान्वयन को लेकर प्रतिबद्ध है।

The **Official Language (Rajbhasha) Committee** of Shivaji College is responsible for implementing the Official Language Policy in the College. It monitors the use of

Hindi among teachers, students, and non-teaching staff and ensures compliance with the guidelines issued by the Department of Official Language, Ministry of Home Affairs, Government of India.

Shivaji College is one of the few colleges of the University of Delhi to have successfully completed its inspection by the Parliamentary Committee on Official Language, chaired by Hon'ble Member of Parliament, Shri Bhartruhari Mahtab. The College has also promptly implemented the recommendations made by the Committee.

The College is proud to be a member of the **Town Official Language Implementation Committee (NARAKAS).** Under the leadership of the Principal, Professor Virendra Bhardwaj, the Rajbhasha Committee organizes various activities to promote Hindi, including writing competitions, Hindi signature campaigns, Hindi language training programmes, workshops, seminars, and the display of Official Language guidelines through the College website and digital screens. Reports on these activities are regularly shared with the NARAKAS Centre and uploaded to the College website.

In the previous year, Dr. Tarun, Convener and Nodal Officer of the Rajbhasha Committee, represented Shivaji College at the Golden Jubilee Celebration of the Department of Official Language held at Bharat Mandapam, New Delhi, under the chairmanship of the Hon'ble Union Home Minister Shri Amit Shah.

On 25 May 2025, Shivaji College was the only college from the University of Delhi to participate in the meeting of the **Town Official Language Implementation Committee (Delhi Central),** chaired by **Professor Mazhar Asif,** Vice-Chancellor of Jamia Millia Islamia. The College also presented its half-yearly Official Language Implementation Report to the Joint Director (Official Language), Ministry of Home Affairs.

Shivaji College remains committed to the effective implementation and promotion of the Official Language Policy under the leadership of its Principal, Professor Virendra Bhardwaj, contributing to the nation's vision of strengthening Hindi as the Official Language.

Remedial Cell

The Remedial Cell of Shivaji College is a dedicated initiative to provide academic support to students who may be facing challenges in coping with their coursework. This cell plays a vital role in promoting inclusive education by addressing the diverse learning needs of students and ensuring that no learner is left behind due to academic difficulties. The Remedial Cell organizes **special classes, doubt-clearing sessions, and mentoring programs** to help students improve their understanding of subjects and enhance their academic performance. These sessions are conducted by experienced faculty members and are tailored to focus on core concepts, revision of the syllabus, and preparation for examinations. In addition to academic guidance, the cell also offers counselling and motivation to help students build confidence and overcome learning challenges. The Remedial Cell works in close coordination with all the departments and the college's academic bodies to identify students in need and offer them timely support. Through its student-centric approach, the Remedial Cell contributes to the college's mission of fostering a supportive and equitable learning environment, enabling all students to realize their academic potential. The cell also organized a student-centric seminar in the last academic year which addressed the issue of stress and mental health among college students.

Shivaji Academic Enrichment Centre (SAEC)

Shivaji Academic Enrichment Centre of the college aims for students' holistic development by enhancing learning opportunities, fostering critical thinking, creativity and problem-solving abilities. Round the year SAEC organises activities that engage and motivate students under its three sub committees DISHA, SPADE and Literary society.

DISHA: The Civil Services Society of Shivaji College

Organizes various activities to assist Civil Services aspirants in their exam preparation and keep students informed about current affairs. It is dedicated to guiding students through a series of lectures, seminars, and workshops led by experienced civil servants and subject matter experts. Disha provides insights into the UPSC Civil Services Examination process. Disha's initiatives aim to cultivate a community of informed, motivated, and socially responsible individuals ready to contribute to the nation's administration and development.

SPADE: Society for Practical Applications and Development of Economics explores and analyzes various socio-economic issues with academic rigour. The society promotes application based and research orientated skill development through diverse workshops, lectures series, interactive sessions and seminars. The aim of the society is to promote practical applications and inculcate analytical abilities, creativity and in-depth knowledge on several economic issues.

LITSOC-The Literary Society is dedicated to nurturing a passion for reading and writing, with the goal of promoting literary appreciation, critical thinking, and creative expression among students. It provides various platforms for students to enhance their written and spoken communication skills. The society hosts a range of events, including debates, film screenings, poetry slams, book discussions, literary quizzes, and writing workshops. Its annual flagship event, Abhivyakti, features a series of inter-college competitions that celebrate literary talent. Through its initiatives, the society cultivates an inclusive environment where diverse perspectives and voices are encouraged, respected, and valued.

Udhmodya Committee

Udhmodya Committee of Shivaji College is a dynamic collaboration between Enactus Shivaji and Entrepreneurship Cell , the premier societies on campus dedicated to exploring the forefront of entrepreneurship and social impact.

Vision

To build a thriving entrepreneurial ecosystem that nurtures innovation, leadership, and professional excellence while empowering students to become future-ready entrepreneurs and changemakers.

Mission

- To cultivate an entrepreneurial culture within the institution.
- To provide mentorship, guidance, and industry exposure to aspiring entrepreneurs.
- To bridge the gap between academic learning and practical business environments.
- To support innovative ideas through incubation and strategic advisory.
- To develop leadership, creativity, and problem-solving abilities among students.
- To create opportunities for professional growth through industry interaction and experiential learning.

Objectives

- Organizing entrepreneurship awareness programs, workshops, seminars, and E-Summits.
- Facilitating mentorship and incubation support for innovative student ventures.
- Conducting speaker sessions with eminent entrepreneurs and industry professionals.
- Providing industrial exposure through corporate and industry visits.
- Encouraging startup culture, innovation, and leadership development.
- Creating networking opportunities between students, startups, investors, and industry experts.
- Promoting skill development and practical learning aligned with industry requirements.

The Udhmodya Committee is committed to fostering an entrepreneurial mindset among students by creating a dynamic ecosystem of innovation, leadership, and industry engagement. The committee serves as a platform for aspiring entrepreneurs to transform ideas into impactful ventures through mentorship, industry exposure, and experiential learning. With a vision to bridge the gap between academic learning and the startup ecosystem, the cell actively promotes creativity, problem-solving, and entrepreneurial thinking among students. Recently the Committee inaugurated its Incubation Centre during the annual E-Summit, marking a significant step towards supporting student-led startups and innovative business ideas. The Incubation Centre aims to nurture early-stage ventures by providing strategic guidance, mentorship, networking opportunities, and access to industry expertise.

The Incubation Centre acts as a catalyst for innovation and startup development by supporting students in transforming their ideas into scalable business models. The centre provides mentorship, guidance, and a collaborative environment for budding entrepreneurs. To strengthen the incubation ecosystem, an Advisory Committee comprising eminent industry leaders, startup founders, professionals, and mentors has been established. Their expertise enables students to gain practical insights, strategic direction, and real-world exposure.

The committee regularly organizes seminars, workshops, and training sessions focused on entrepreneurship, startup development, innovation, finance, leadership, and emerging industry trends. These sessions are designed to equip students with practical skills and entrepreneurial competencies required in today's dynamic business environment. Interactive speaker sessions featuring distinguished entrepreneurs, corporate leaders, investors, and industry experts are conducted to inspire students through real-life experiences, success stories, and insights into the entrepreneurial journey.To provide practical industry exposure, the committee organizes industrial and corporate visits that allow students to understand business operations, production processes, management practices, and market dynamics firsthand. "Udaan" is the official podcast initiative of the Entrepreneurship Cell, aimed at sharing entrepreneurial stories, startup experiences, leadership insights, and industry perspectives. Through engaging conversations with founders, professionals, and innovators, Udaan seeks to inspire and educate the student community.

Vidya Vistar Scheme (V2S)

The Vidya Vistar Scheme (V2S), launched by the University of Delhi, advances the vision of the National Education Policy (NEP) 2020 by promoting academic collaboration and capacity building between its colleges and institutions located in remote and underserved regions of the country.

Shivaji College has established academic partnerships with Himalayan Degree College, Rajouri, Jammu & Kashmir, and Sikkim Government College, Burtuk, Sikkim to advance shared goals in teaching, research, and academic outreach.

Women's Development Cell (WDC)

The Women's Development Cell (WDC), Shivaji College, is committed to the cause of gender sensitization and the evolution of a more just and equal society. It recognizes the conspicuous as well as covert ways in which gender is a basis of intolerance and oppression, and strives to uncover and address the dynamics of gender in everyday lives through creative methods. The WDC works with students and teachers of all genders to create an environment of curiosity, dialogue, and constructive engagement. The Cell regularly organizes seminars, workshops and outreach activities on gender sensitization, legal awareness, and self-defence in the college. In addition, numerous student performances and competitions are

held throughout the year.

For over a decade, the WDC of Shivaji College has held an annual celebration of change-makers through the Jijabai Achievers Awards. These awards, named after the mother of the legendary leader and warrior Chhatrapati Shivaji Maharaj, were instituted with the mission to recognize and acknowledge individuals doing extraordinary work for the empowerment of women, young girls, children, and marginalized groups. The journeys of the awardees create wonder, inspiration, and hope among students. In the year 2024-25, the WDC introduced two new awards, the Jijabai Young Achievers' Award and the Jijabai Employee Recognition Award, extending the honour to the students and staff of Shivaji College.

Along with the Jijabai Awards, the WDC also brings out an annual publication in the form of a book authored by the students and teachers of Shivaji College. Highlighting ideas, research, questions and contemporary debates around specific themes, these books embody the institution's proud commitment to gender awareness and change

GENERAL GUIDELINES FOR ADMISSION UNDER UGCF 2026-27

IMPORTANT POINTS

CUET (UG) - 2026 Requirements:

Admission to all Undergraduate Programs at the University of Delhi is based on the scores obtained in CUET (UG) 2026, except for admissions to the School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB), and for Foreign Nationals.

Eligibility Criteria

- The candidate must have studied and passed Class XII examination or its equivalent from a single recognized board.
- The candidate must have studied and passed Class XII examination of any Board / University in India, or any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
- For admission to University of Delhi, it is mandatory for the candidate to appear in CUET (UG) - 2026 in those subjects in which s(he) is appearing/has passed Class XII. In case the subject studied at Class XII is not mentioned in the CUET (UG) - 2026, the candidate must appear in the Language/Domain Specific subject that is similar/closely related to the subject s(he) has studied at Class XII (for example, if a candidate has studied Biochemistry in Class XII, s(he) must appear in Biology in CUET (UG) - 2026). For establishing similarity of CUET (UG) subjects with subjects taken in Class XII, at least 50% of the syllabus should match. The University reserves the right for establishing the similarity. The decision of the university in this regard shall be final and binding.

Admission Process

- Allocation and admission will be based only on the combination of Language/s, Domain Specific Subjects and/or General Aptitude Test (GAT)

in which a candidate has appeared in CUET (UG) – 2026 as per the respective Program-Specific Eligibility.

- Only the scores obtained in CUET (UG) - 2026 will be considered for admissions to the academic year 2026-27.
- The candidate must read the Program-Specific requirements carefully and then appear in Language and/or Domain Specific Subjects of the CUET (UG) - 2026.

Application and Admission Guidelines

- Candidates desirous of seeking admission to University of Delhi will also have to apply to University of Delhi's Common Seat Allocation System (UG)-2026. The details related to allocations and admissions through CSAS(UG)-2026 etc. will be notified separately on the website of University of Delhi.
- Candidates must be careful while filling the CUET (UG)-2026 form as certain fields such as Name, signature and photograph of the candidate will be later auto-integrated by University of Delhi from CUET (UG)-2026. These fields will be non-editable.
- The name of the candidate claiming reservation must match with the Candidate's name as it appears on his/her corresponding school board qualifying certificates and in CUET (UG)-2026. Similarly, the parents' names must also match in the certificates.
- As per Ordinance-I of University of Delhi, there is no minimum age bar for admission to the undergraduate programs in the University and its colleges except in the programs where the respective regulatory bodies, such as Medical Council of India (MCI), All India Council for Technical Education (AICTE), Bar Council of India (BCI), National Council for Teacher Education (NCTE), Dental Council of India (DCI), etc. have prescribed the minimum age requirement in their regulations.
- Gap year will not be a bar for the purpose of admission to undergraduate programs. However, such candidates must also appear in CUET (UG) - 2026 for admissions in the academic year 2026-27.

Responsibilities and Requirements

- Candidates are responsible for regularly checking the websites and admission portals of NTA and the University of Delhi for updates related to CUET (UG) -2026 and admission-related policies. Grievances resulting from not having consulted this bulletin and the website/s will not be entertained.
- Before registering for CUET (UG) - 2026, the candidate is advised to carefully read the Bulletin of Information (BOI) 2026-27 and consult the University of Delhi Act, 1922, and the Statutes. The Ordinances, Rules, and Regulations of the University of Delhi, available on the University website, would be binding on them.

Document Verification and Compliance

- Non-compliance with any of the requirements for admission includes non-submission of relevant documents and/or non- payment of fees within the prescribed date and time. In that case, the applicants will lose their right to admission.
- If at any stage, original documents relating to a candidate's admission are found to be fake/non-genuine or fabricated, the concerned candidate will not be admitted and if already admitted, admission will be cancelled without any prior notice. No fee shall be refunded in such cases. If the same is found after completing the course, the candidate's degree will be cancelled and appropriate legal action will be taken against them.

Policy and Procedure Updates

- The University of Delhi reserves the right to revise, amend, update, or delete any part of this bulletin without prior notice. Any change so made shall be updated on the UG Admission website and shall become effective from the date it is posted.
- The University of Delhi will not be responsible for any change/modification in the papers/structure/mode of examinations /dates/grievances related to CUET (UG) - 2026.

- The University of Delhi is liable to change/modify its admission policies and processes anytime without prior notification. The latest and updated information will be available on the website of the University of Delhi.

General Notes

- Appropriate proration in CUET (UG) - 2026 scores will be done wherever required (including supernumerary quota).
- Grievances related to non-appearance in CUET (UG) - 2026 or the required Language, Domain Specific subjects and/or General Test will not be entertained.
- This Bulletin of Information is a compendium of inputs assembled and collated from NTA and various Faculties, Departments, Centres, Colleges, other institutions of the University of Delhi and related sources. Due care has been taken to reproduce the authentic, official version of rules and regulations and additional relevant information in this bulletin as far as possible. However, it should, in no case, be construed as a warranty, express or implied, regarding the completeness and accuracy of the information so far provided as a ready reference.
- The University of Delhi disclaims any liability towards any individual for any loss or damage caused to them arising out of any action taken based on the information in the Bulletin. Any error, if found, in the Bulletin may be due to inadvertent omissions, clerical mistakes, or any other reasons.

COMBINATIONS FOR ADMISSION TO VARIOUS UG COURSES

Course	Eligibility
B.A. (Programme)	Candidates must appear in CUET in any of the following subject combinations: Combination I: Any one Language from List A + Any three subjects from List B OR Combination II: Any two Languages from List A + Any two subjects from List B OR Combination III: Any one Language from List A + Any one subject from List B + General Aptitude Test Merit will be based on the best CUET score obtained from any of the above-mentioned combinations of subjects. Note: As the weightage of the CUET Sections is not the same, appropriate proration will be done. B.A. (Program) combination, where Mathematics/ Statistics/ Computer Applications/Computer Science is one of the two core disciplines, it is mandatory that the candidate must have studied and passed Mathematics in Class XII examination. Similarly, wherever a Language is being offered as one of the two disciplines, the candidate must have a working knowledge of that Language
B.A. (Hons.) Economics	Candidates must appear in CUET in any of the following subject combinations: Combination I: Any one Language from List A + Mathematics/Applied Mathematics + Any two subjects from List B Merit will be based on the best CUET scores obtained from any of the above-mentioned combinations of subjects.
B.A. (Hons.) English	Candidates must appear in CUET in the following subject combination: English from List A + Any three subjects from List B or English and one Language from List A + Any two subjects from List B Merit will be based on the best CUET score obtained from any of the above-mentioned combinations of subjects.
B.A. (Hons.) Hindi	Candidates must appear in CUET in the following subject combination: Combination I: Hindi from List A + Any three subjects from List B OR Combination II: Hindi and one Language from List A + Any two subjects from List B Merit will be based on the best CUET score obtained from any of the above-mentioned combinations of subjects.
B.A. (Hons.) Geography	Candidates must appear in CUET in the following subject combination: Combination I: Any one Language from List A + Any three subjects from List B OR

	Combination II: Any two Languages from List A + Any two subjects from List B Merit will be based on the best CUET scores obtained from any of the above-mentioned combinations of subjects. Note: As the weightage of the CUET Sections is not the same, appropriate proration will be done.
B.Sc. (Hons.) Biochemistry	Candidates must appear in CUET in any of the following subject combinations: Combination I: Chemistry + Biology/ Biological Studies/ Biotechnology/ Biochemistry + Physics OR Combination II: Chemistry + Biology/ Biological Studies/ Biotechnology/ Biochemistry + Mathematics/ Applied Mathematics Merit will be based on the best CUET scores obtained from any of the above-mentioned combinations of subjects. Candidates must appear in any one language from List A in CUET
B.Sc. (Hons.) Botany	Candidates must appear in CUET in the following subject combination: Physics + Chemistry + Biology/Biological Studies/ Biotechnology/ Biochemistry Merit will be based on the CUET scores obtained from the above-mentioned combination of subjects. Candidates must appear in any one language from List A in CUET
B.Sc. (Hons.) Chemistry	1. It is mandatory for the candidates to appear in CUET (UG)-2025 in those subjects in which s(he) is appearing/has passed Class XII 2. Candidates must appear in CUET in the following subject combinations: Physics + Chemistry + Mathematics/Applied Mathematics 3. Merit will be based on the CUET scores obtained from the above-mentioned combination of subjects. Candidates must appear in any one language from List A in CUET
B.Sc. (Prog.) Life Sciences	1. Candidates must appear in CUET in the following subject combination: Chemistry + Physics + Biology/Biological Studies/ Biotechnology/ Biochemistry 2. Merit will be based on the CUET scores obtained from the above-mentioned combination of subjects. Candidates must appear in any one language from List A in CUET.
B.Sc. (Prog.) Physical Science with Chemistry	1. Candidates must appear in CUET in the following subject combination: Physics + Mathematics/Applied Mathematics + Chemistry 2. Merit will be based on the CUET score obtained from the above-mentioned combination of subjects. Candidates must appear in any one language from List A in CUET
B.Sc. (Prog.) Physical Science with Chemistry/ Informatics Practices	1. Candidates must appear in CUET in any of the following subject combinations: Combination I : Physics + Mathematics/Applied Mathematics + Chemistry OR

	Combination II : Physics + Mathematics/Applied Mathematics + Computer Science/Informatics Practices 2. Merit will be based on the best CUET score obtained from any of the above-mentioned combinations of subjects. Candidates must appear in any one language from List A in CUET.
B.Sc. (Hons.) Mathematics	1. Candidates must appear in CUET in the following subject combination: a) Combination I:Any one Language from List A + Mathematics/Applied Mathematics + Any two subjects from List B OR Combination II:Any two Languages from List A + Mathematics/ Applied Mathematics + Any one subject from List B. 2. Merit will be based on the CUET score obtained from the above-mentioned combinations of subjects.
B.Sc. (Hons). Physics	1. Candidates must appear in CUET in the following subject combination: Physics + Chemistry + Mathematics/Applied Mathematics 2. Merit will be based on the best CUET score obtained from any of the above-mentioned combinations of subjects. Candidates must appear in any one language from List A in CUET.
B.Sc. (Hons.) Zoology	1. Candidates must appear in CUET in the following subject combination:Physics + Chemistry + Biology/Biological Studies/ Biotechnology/ Biochemistry 2. Merit will be based on the CUET scores obtained from the above-mentioned combination of subjects. Candidates must appear in any one language from List A in CUET.

UNIVERSITY OF DELHI- ADMISSION THROUGH SUPERNUMERARY QUOTA

1. Persons with Benchmark Disabilities (PwBD)

Five percent (5%) of the total sanctioned strength in each Program are reserved for PwBD candidates. Separate Allocation result/s will be declared for candidates seeking admission under PwBD quota. Candidates must ensure that the PwBD certificate is in the name of the candidate and issued by a recognized Government Hospital, bearing duly attested photograph of the candidate. Offers fee concessions.

2. Children/Widows of Personnel of Armed Forces (CW)

Five percent (5%) of seats are reserved for Candidates under this category, program-wise in all colleges.Candidates desirous of taking admission under the CW quota of the University must appear in CUET (UG) - 2026. All such Candidates have to upload the Educational Concession Certificate (ECC) in specific format.

3. Kashmiri Migrants (KM)

Upto 5% seats are reserved program-wise in all colleges for the wards of Kashmiri Migrants. All the wards of Kashmiri Migrants will have to upload a certificate of registration as Kashmiri Migrants issued by Divisional Commissioner/Relief Commissioner. Candidates desirous of taking admission under the Kashmiri Migrants quota must appear in CUET (UG) - 2026.

4. Prime-Minister's Special Scholarship Scheme

Candidates desirous of taking admission under the Prime Minister's Special Scholarship Scheme for J&K students must appear in CUET (UG) - 2026.

5. Nomination of Sikkimese Students

Candidates desirous of taking admission under the Sikkim nomination scheme must appear in CUET (UG) - 2026. Sikkimese students nominated by the Govt. of Sikkim shall be considered for admission by the University in Colleges where hostel facilities are available.

6. Ward Quota (WQ)

Candidates desirous of taking admission under the Ward Quota of Employees of University of Delhi must appear in CUET (UG) - 2026. Admissions under ward quota

for each college will be determined in three Program Clusters namely viz. Humanities, Commerce and Sciences. Candidates must be in possession of a valid Employment Certificate issued by due officials at the time of registration. Appropriate proration in CUET scores may be done to ascertain cluster-based merit.

7. Orphan Quota

Candidates desirous of taking admission under the supernumerary Quota for Orphans must appear in CUET (UG) - 2026. A candidate who wishes to seek admission under the orphans quota must possess a certificate from a Govt. recognized Orphanage/Charitable Home or Death certificate of both the parents.

8. Extra-Curricular Activities (ECA) and Sports Quota

Candidates desirous of taking admission under the supernumerary quota for ECA and/or Sports must appear in CUET (UG) - 2026. For admissions to ECA and Sports supernumerary seats a weightage of 25% will be given to CUET score and 75% to certificates/ trials/ performances.

9. Single Girl Child

01 (One) seat in each Program of every college is reserved under the Supernumerary Quota for a single girl child. The Parent/Guardian (in case parents are deceased) will have to declare that the girl child is the only Child whose parents have no other Male/Female child other than the girl child for which the application is being submitted for admissions in the academic session 2026-27. Parent/ Guardian shall upload copy of an affidavit to this effect

Undergraduate Curriculum Framework

The Undergraduate Curriculum Framework (UGCF) has been implemented by the University of Delhi from the academic session 2022-2023 onwards as part of the National Education Policy (NEP) 2020. The UGCF offers a four-year undergraduate program that encourages interdisciplinary learning, skill development, and research, equipping students with the knowledge, skills, and competencies necessary for the modern workforce. To provide more holistic and adaptable education, it offers multiple exit points that prepare students for diverse career paths and lifelong learning.

Shivaji College offers undergraduate programs with a single core discipline [B.Sc.(H), B. A. (H), and B. Com(H)], with two core disciplines [B.A. (Program), and B. Com (Program)], and for three core disciplines [B. Sc. (Program)]. In order to understand the complete structures of the above-mentioned programs, flow charts have been prepared by the University. Some of the abbreviations used are:

DSC: Discipline Specific Course
DSE: Discipline Specific Electives
GE: General Electives
AEC: Ability Enhancement Course
IL - Pool of Indian Languages in the 8th schedule of the Constitution

SEC: Skill Enhancement Course
IAPC: Internship/Apprenticeship / Project/ Community Outreach
VAC: Value Addition Course
: Not Applicable

Academic Credit

1 Credit = 1 Hour of Lecture/ Tutorial per week

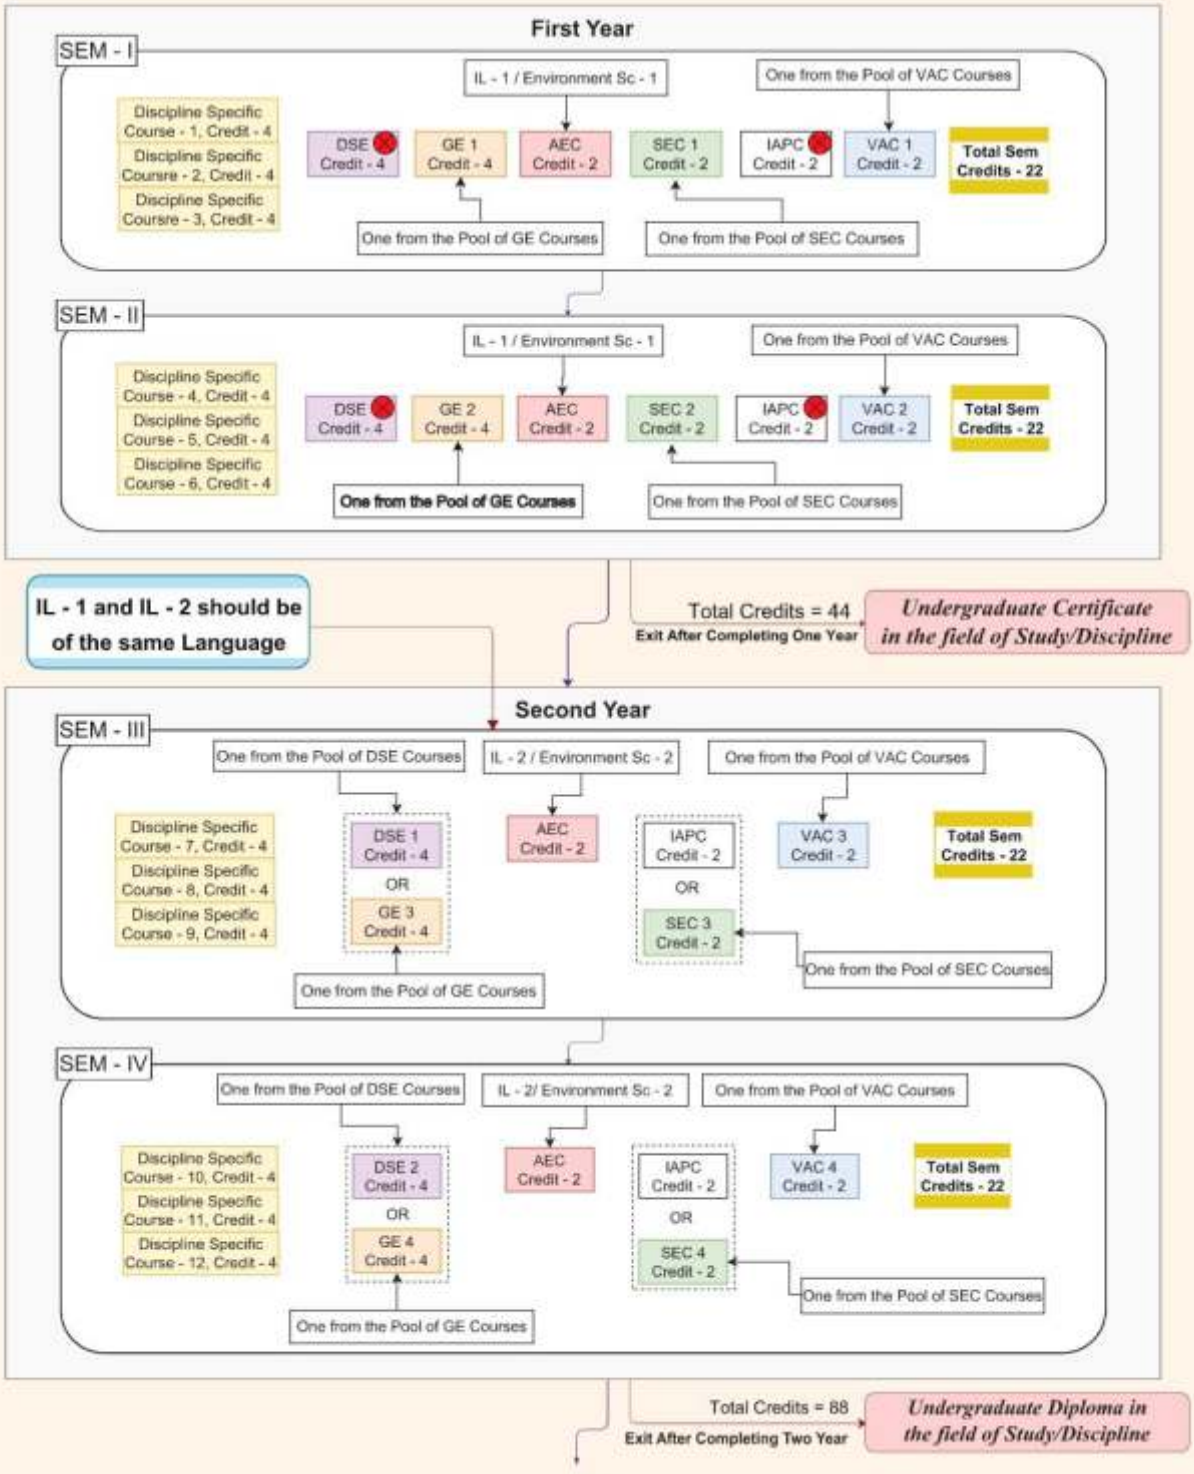

or

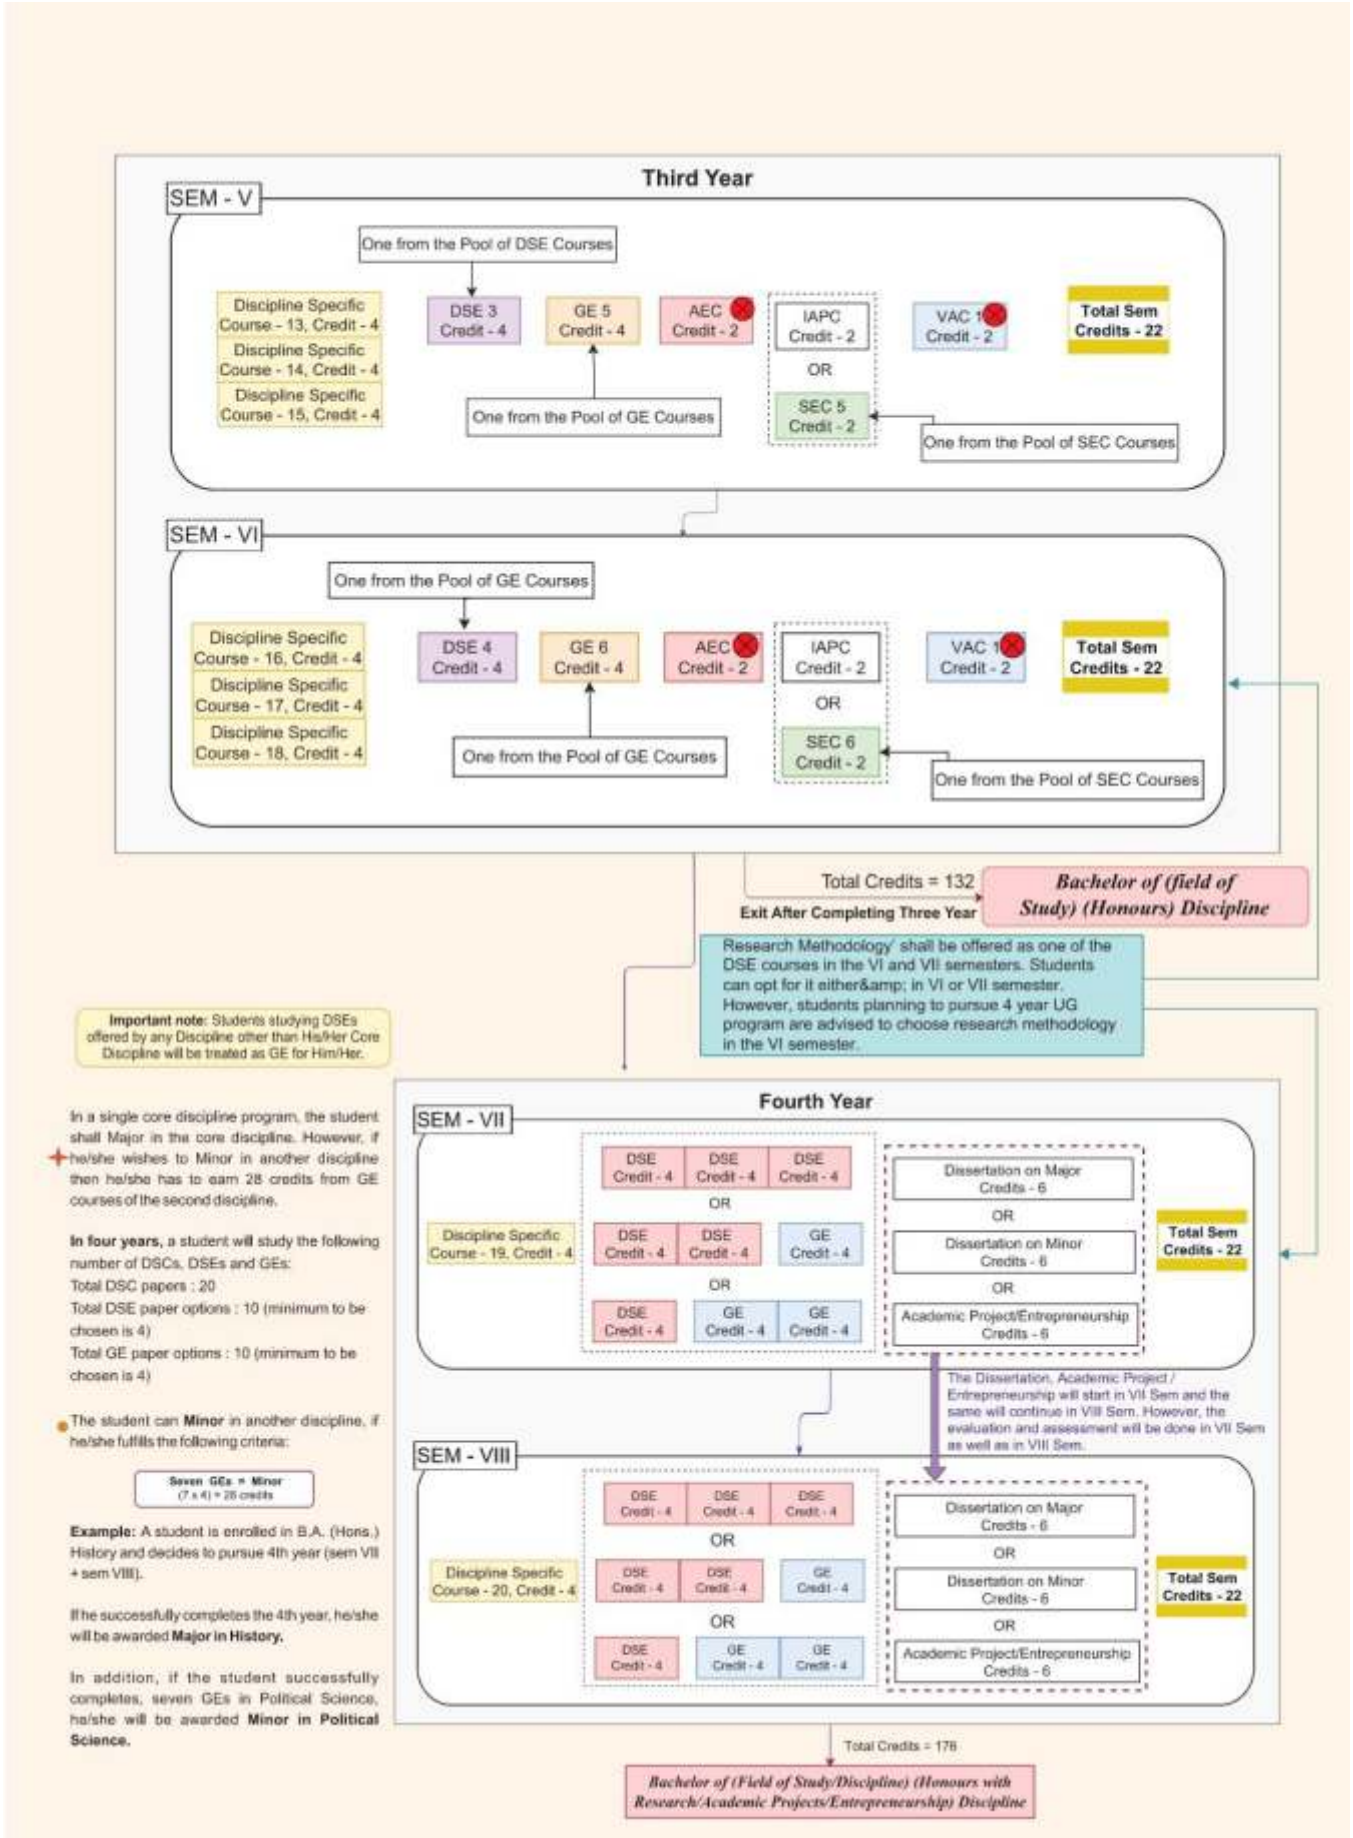

2 Hours of Practical or field work per week

B.A. (Hons), B. Sc. (Hons), B. Com (Hons)
Structure of UG Single Core Discipline Program

DSC: Discipline Specific Course

Exit After Completing Three Year
Bachelor of (field of Study) (Honours) Discipline
Research Methodology' shall be offered as one of the DSE courses in the VI and VII semesters. Students can opt for it either& in VI or VII semester. However, students planning to pursue 4 year UG program are advised to choose research methodology in the VI semester.
Important note: Students studying DSEs offered by any Discipline other than His/Her Core Discipline will be treated as GE for Him/Her.
In a single core discipline program, the student shall Major in the core discipline. However, if he/she wishes to Minor in another discipline then he/she has to earn 28 credits from GE courses of the second discipline.
In four years, a student will study the following number of DSCs, DSEs and GEs:
Total DSC papers : 20
Total DSE paper options : 10 (minimum to be chosen is 4)
Total GE paper options : 10 (minimum to be chosen is 4)
The student can Minor in another discipline, if he/she fulfills the following criteria:
Seven GEs = Minor
(7 x 4) = 28 credits
Example: A student is enrolled in B.A. (Hons.) History and decides to pursue 4th year (sem VII + sem VIII).
If he successfully completes the 4th year, he/she will be awarded Major in History.
In addition, if the student successfully completes, seven GEs in Political Science, he/she will be awarded Minor in Political Science.

S. No.	Name of the Department	Name of the GE Paper
1.	Computer Science	Object Oriented Programming Using Python (Hons+Prog Both)
2.	Sanskrit	Basic Principal of Ayurveda (Hons+ Prog both)
3.	Economics	a) Principles of Microeconomics-1 (for Hons) b) Essentials of Economics (for Hons)
4.	Political Science	Ideas in Indian Political Thought (Hons+Prog both)
5.	Botany	Plant Diversity & Human Welfare (Hons+ Prog both)
6.	Chemistry	Atomic Structure & Chemical Bonding (Hons+ Prog both)
7.	Mathematics	Fundamentals of Calculus (Hons+Prog both)
8.	Physics	Mechanics (for Hons)
9.	Physical Education	Fitness and Wellness (Hons+ Prog both)
10.	English	a) Indian English Literatures (for Hons) b) English Language through Literature 1 (for BA Prog and B.Com Prog)
11.	Commerce	Business Organisation (Hons + Prog both)
12.	Hindi	Hindi Cinema aur Uska Adhyayan (Hons + Prog both)
13.	Zoology	Exploring Animal World (Hons+Prog both)
14.	Geography	Geography of India (Hons+ Prog both)
15.	History	Delhi Through the Ages: The Making of its Early Modern History (Hons+ Prog both)

DEPARTMENTS

Department of B.A. Programme

The Department of B.A. Programme at Shivaji College, University of Delhi, offers a dynamic and interdisciplinary undergraduate programme designed in accordance with the Undergraduate Curriculum Framework (UGCF) under the National Education Policy (NEP) 2020. The programme provides students with the flexibility to pursue diverse combinations of disciplines while developing a strong foundation in the humanities and social sciences.

The B.A. Programme encourages intellectual curiosity, critical thinking, analytical ability, effective communication, and social responsibility. Through its

multidisciplinary structure, students are equipped to engage with contemporary academic and societal issues while preparing for higher studies and a wide range of professional careers.

At present, the College offers the following ten discipline combinations under the B.A. Programme:

1. English + Sociology (Department of English & Department of Sociology)
2. English + Economics (Department of English & Department of Economics)
3. Economics + Geography (Department of Economics & Department of Geography)
4. Economics + Political Science (Department of Economics & Department of Political Science)
5. Geography + History (Department of Geography & Department of History)
6. Geography + Political Science (Department of Geography & Department of Political Science)
7. Hindi + Geography (Department of Hindi & Department of Geography)
8. Hindi + Political Science (Department of Hindi & Department of Political Science)
9. Hindi + History (Department of Hindi & Department of History)
10. History + Political Science (Department of History & Department of Political Science)

The programme is supported by experienced and dedicated faculty members from the participating departments, who guide students in developing disciplinary competence while fostering interdisciplinary perspectives. Students also benefit from the wide range of courses offered under the UGCF, including Generic Electives (GE), Skill Enhancement Courses (SEC), Value Addition Courses (VAC), Ability Enhancement Courses (AEC), and Internship/Community Engagement components, enabling them to build academic depth as well as practical and transferable skills.

Beyond the classroom, students are encouraged to participate actively in seminars, workshops, field visits, community engagement initiatives, research activities, cultural programmes, and skill-development opportunities that enrich their academic experience and holistic development.

Graduates of the B.A. Programme are well prepared for careers in education, public administration, civil services, journalism, media, research, public policy, social development, corporate sectors, and higher education.

The Department of B.A. Programme welcomes aspiring students to become part of a vibrant academic community that values excellence, inclusivity, innovation, and responsible citizenship.

Teacher-in-Charge:

Mr Skand Priya, Assistant Professor, Dept of History.

Department of Business Economics

B.A. (H) Business Economics, affiliated to the Faculty of Applied Social Science and Humanities, University of Delhi, South Campus, is a course designed to create the application of economic tools, theory and methodology to business practice as well as to analyze the data and information for the formulation of rational decisions and craft successful business strategy in the organization. Since its inception in 2005, it has become one of the most sought-after courses in the college. It aims to meet the growing needs of the changing corporate world including analytical and quantitative economic applications in management and enables students to compete in the marketplace successfully. Besides classroom teaching, the curriculum includes seminars, workshops and extra-

curricular activities to ensure effective learning and overall development of students in a holistic way. Successful completion of this course ensures lucrative employment opportunities for students in well-known co such as JP Morgan, Boston Consulting Group, Deloitte, Mercer, S & P Capital IQ, American Express, Royal Bank of Scotland, AON Hewitt, Egon Zehnder, Protiviti, Genpact, TCS, De Shaw, and many more. Students may also pursue postgraduate courses: MBE, MA (Economics), and M. Com in various Universities and institutions for higher education.

Faculty Members

Ms. Kavita Yadav, Assistant Professor, M.A. Economics- TIC

Ms. Urvashi Sahitya, Assistant Professor, B. Com (H), M. Com, PGDBM, M.Phil.

Department of Commerce

The Department of Commerce, Shivaji College, University of Delhi, where innovation meets tradition, and excellence knows no bounds. Our department stands out for its unwavering commitment to nurturing holistic development and fostering entrepreneurial spirit among students. At the heart of our offerings lie the prestigious B. Com (Honours) and B. Com (Programme), meticulously designed to provide students with a comprehensive understanding of commerce while honing their entrepreneurial skills and business acumen. Through a blend of theoretical knowledge and hands-on experiences, students embark on a transformative journey towards becoming dynamic leaders and visionaries of tomorrow.

The department is led by a team of dedicated faculty members who are experts in their fields, the Department of Commerce at Shivaji College fosters a culture of mentorship, collaboration, and excellence. Our department offers a comprehensive curriculum covering various facets of commerce, including accounting, finance, economics, business management, human resource and marketing.

The Department organises various seminars and workshops to provide exposure to students beyond curriculum. The department also conducts add-on courses for the benefit of students in the fields related to commerce. In the past add-on courses have been conducted on G-Suite Applications and Digital Forensics and Cyber Intelligence. The department organised the International Conference on 'Viksit Bharat@2047: Strategies for an Inclusive and Sustainable Development in the Global Context' where opportunity is provided to faculty and students to present their research work. Notable alumni of the department have gone on to pursue post-graduation studies at prestigious institutions and have secured lucrative placements in leading companies.

Department of Economics

The Department of Economics has been offering one of the foremost and most sought-after courses B.A.(Hons) Economics, since the inception of the college. Over the years, the department has grown due to the efforts of its supremely committed faculty and extremely active students. To ensure the holistic development of students, the department regularly organizes seminars, workshops, and Alumni Talks. These events expose students to contemporary economic issues, career insights, and thought leadership, thereby bridging the gap between classroom learning and real-world applications.

Our students have taken to public service by joining civil services, armed forces and even as faculty at other University of Delhi colleges. Our students have also opted for higher studies with some of the most coveted institutions such as IIMs, IIFT, Delhi School of Economics and Jawaharlal Nehru University. A good proportion of students get employment opportunities in companies of high repute such as JPMorgan, American Express, TCS and many more.

To facilitate students with a platform to exhibit and enhance their competitive and interactive skills, the Department has constituted a student body, namely, Epitome. This society is actively engaged in organising various academic events throughout the year. The faculty members of the department participate in various seminars, workshops and Faculty Development Programs to keep themselves abreast with the ongoing changes and development.

Department of English

The Department of English has a wide outreach and offers papers across various interdisciplinary fields. The pedagogical method employed by the faculty aims at liberating learning and knowledge from the bounds of the restricted model of textbook teaching. We strive towards imparting a holistic perspective towards education and aim for students to study to contextualise and adopt an informed and sensitised take on various contemporary issues. Through classroom discussions, students learn to look at questions about history and society from different ideological perspectives.

BA English (Honours) students at Shivaji College are some of the most dynamic students in the college. They take the lead in organising numerous literary and extracurricular activities under the aegis of Pandemonium, the literary society of the English Department. Conferences, webinars, literary quizzes, poetry recitations, creative writing, and screenings of cinematic adaptations of literary texts are major highlights in every academic session.

Following the NEP guidelines, the department provides a diverse range of courses catering to students from various disciplines. Core students enjoy the opportunity to explore global literature comprehensively, gaining a profound understanding of canonical works.

In the fourth year, students pursue research dissertations, across various themes, under the able guidance of their teachers. The department has nurtured several government employees, mass media professionals and both school and college teachers as part of their illustrious alumni.

Department of Geography

Shivaji College, part of the University of Delhi, stands out as one of the few institutions offering undergraduate Hons. and Prog. courses in geography. Established over 39 years ago, the Department of Geography launched its Hons. Course in 1988. It boasts a state-of-the-art cartography lab and GIS lab for essential infrastructure for comprehensive theory and practical classes. Beyond the extensive geography collection in the main library, the department maintains its own library for student resources. Classroom learning is enhanced through project work, field trips, and seminars, providing a well-rounded educational experience. Our Mission is to cultivate critical thinking and analytical skills among students, promote interdisciplinary research that addresses contemporary global challenges, and foster an inclusive and supportive learning environment.

Our distinguished faculty members are renowned for their scholarly contributions and dedication to teaching. They bring a wealth of expertise in various subfields of geography. The department is actively involved in cutting-edge research projects and collaborates with national and international institutions to address pressing environmental and societal issues. The department is running one minor research project funded by Shivaji College's Research and Innovation Cell under the supervision of Dr. Usha Rani and one HEFA project worth Rs. 5000000 supervised by Dr. Bharat Ratnu and Prof. Tejbir Singh Rana as Principal Investigator and Mentor, respectively. Currently, seven Ph.D.

scholars are conducting research under the guidance of Prof. Tejbir Singh Rana, Dr. Rajender Singh, Dr. Praduddh Kumar Mishra, and Dr. Usha Rani. Geography Society: An active student-led organization titled 'Shivalik' that organizes seminars, workshops, field trips, and cultural events. Our alumni are our pride, making significant contributions in academia, government, the private sector, and non-governmental organizations. They remain an integral part of our community, offering mentorship and networking opportunities for current students under the umbrella of 'Vimarsh.' Very recently Mr. Rajat Patre secured AIR 305 Rank in UPSC 2024 and became an IAS officer.

Department of History

The Department of History at Shivaji College is committed to fostering academic excellence through a vibrant culture of teaching, learning, and research. The Department comprises a dedicated team of faculty members who encourage

students to engage critically with the past while appreciating its relevance to the present and its implications for the future.

The Department adopts an interactive and student-centric pedagogy that promotes intellectual curiosity, critical inquiry, analytical thinking, and effective communication. Students are encouraged to participate actively in classroom discussions, collaborative learning, and research-oriented activities that deepen their understanding of historical processes and historiographical debates.

To complement classroom teaching, the Department regularly organizes seminars, workshops, guest lectures, heritage walks, museum visits, educational excursions to historical sites, archival visits, and student competitions. These experiential learning opportunities enable students to engage with history beyond textbooks and develop a nuanced appreciation of India's rich historical and cultural heritage as well as global historical developments.

The curriculum introduces students to diverse historical periods, themes, and methodologies while familiarizing them with the evolving nature of historical writing and interpretation. Through the study of historiography, primary sources, and interdisciplinary approaches, students are equipped with the skills to analyse evidence, construct informed arguments, and appreciate multiple perspectives.

The Department strives to nurture socially conscious, intellectually engaged, and ethically responsible learners who are prepared for higher studies, research, public service, heritage management, museums, archives, media, education, and a wide range of professional careers. At Shivaji College, history is viewed not merely as the study of the past but as a means of understanding the present and shaping a more informed and inclusive future.

हिन्दी विभाग

हिंदी विभाग, शिवाजी कॉलेज का बहुप्रतिष्ठित विभाग है। जिसमें स्नातक (बी.ए) और स्नातकोत्तर (एम.ए) स्तर का अध्ययन कार्य होता है। स्नातक स्तर पर विभाग विश्वविद्यालय द्वारा अनुमोदित पाठ्यक्रम के आधार पर 'हिंदी कविता (आदिकाल से भक्ति काल तक), हिंदी साहित्य का इतिहास (आदिकाल से मध्यकाल), हिंदी कहानी, हिंदी भाषा का वैश्विक परिदृश्य, हिंदी भाषा और साहित्य का इतिहास आदि प्रश्नपत्र प्रस्तावित करता है। हिंदी विभाग की साहित्यिक सांस्कृतिक संस्था" साहित्य संगम" है जो वर्ष भर विविध साहित्यिक गतिविधियों के आयोजन प्रतियोगिता और साहित्य के विभिन्न आयामों के प्रति प्रोत्साहित करती है। विभाग के कई प्राध्यापक शोध गतिविधियों शोध प्रोजेक्ट से जुड़े रहे हैं। वर्तमान में दिल्ली विश्वविद्यालय के कई शोधार्थियों का निर्देशन कर रहे हैं।

हिंदी विभाग की विपुलता का मानदंड है कि वर्तमान प्राचार्य प्रोफेसर वीरेंद्र भारद्वाज जी विभाग के पूर्व छात्र रहे फिर यहां अध्यापक नियुक्त हुए और वर्तमान में कुशल प्रशासक की भूमिका निभाते हुए प्राचार्य पद पर सुशोभित हैं और निरंतर संस्थानिक सफलता के नए प्रतिमान रच रहे हैं। विभाग के प्रोफेसर दर्शन पाण्डेय जी वर्तमान में राजधानी कॉलेज के प्राचार्य पद पर आसीन हैं। इस विभाग ने दिल्ली विश्वविद्यालय के विविध महाविद्यालय को कुशल प्राध्यापक, मनोरंजन जगत को मंजे हुए कलाकार, देश को श्रेष्ठ जिम्मेदार नागरिक दिए हैं। टेलीविजन पर धूम मचाते मनोरंजन जगत के मामा जी श्री परितोष त्रिपाठी भी इसी विभाग का हिस्सा रहे । पूरे दिल्ली विश्वविद्यालय में हिंदी में सर्वाधिक अंक प्राप्त कर स्वर्ण पदक विजेता बने श्री देवेंद्र सिंह इसी विभाग के विद्यार्थी रहे। अनुज यादव ने सतत (सस्टेनेबल) एयर

कंडीशनर से संबंधित एक पेटेंट- योग्य तकनीक विकसित की है, जिसका पेटेंट प्रकाशित हो चुका है। विभाग के कई प्राध्यापक राष्ट्रीय और अंतरराष्ट्रीय विश्वविद्यालयों में भारत सरकार की ओर से प्रतिष्ठित सांस्कृतिक राजदूत की भूमिका निभा चुके हैं। वैश्विक अनुभवों से युक्त शिवाजी कॉलेज, दिल्ली विश्वविद्यालय का हिंदी विभाग पूरी प्रतिबद्धता के साथ अपने छात्रों के सर्वांगीण विकास के लिए संकल्पबद्ध है।

Department of Physical Education

The Department of Physical Education is committed to providing students with a holistic understanding of human movement, physical activity, and the importance of maintaining a healthy lifestyle. By integrating theoretical knowledge with practical application, students develop competence across a wide spectrum of physical activities. They also cultivate an appreciation for the role of Physical Education in enhancing overall well-being and improving quality of life.

In addition to physical proficiency, students are expected to demonstrate effective communication and leadership skills while gaining insight into the socio-cultural dimensions of physical activity and sports. The department's learning outcomes are designed to empower students with the knowledge and abilities required to promote physical literacy, minimize excessive screen time on electronic devices, and encourage lifelong engagement in active living.

Faculty Members

Mr. Gaurav Goel, Associate Professor, M.Ed. Physical Education

Dr. Amita Handa, Assistant Professor, Master of Physical Education, PhD.-TIC

Department of Political Science

Politics is concerned with the numerous questions which are related to our day-to-day life such as what is a good life? What is liberty, equality, justice, rights, democracy and national interests? Study of Political Science aims at developing broad understanding among the students about such questions.

Against this backdrop, the Department offers Honours and Programme courses at Under Graduate level along with the Post Graduate opportunity which enable students to resolve their problems of contemporary era. Apart from the traditional areas such as Political Theory, Thought, International Relations, India's Foreign Policy and Public Administration some exciting additions have also been made under NEP by offering papers such as Constitutional Values and Fundamental Duties, Political Leadership and Communication, Negotiations and Leadership, Ideas and Institutions in Indian Political Thought which not only challenge hegemonic bias of euro-centrism but also make higher education more holistic, multidisciplinary and flexible while opening up wide opportunities for a successful career in multiple fields such as civil services, law, journalism-print as well as electronic media, entrepreneurship, teaching and research.

Developing key graduate attributes, especially promoting emotional intelligence and critical thinking in students beyond the class-room and syllabus to enable them to contribute to social good has been the main motto. The 'Democrats' society of students of the Department gives adequate exposure to students by involving them in multiple co-curricular activities.

Department of Sociology

The discipline of Sociology is dedicated to the studying interface of individuals, groups, and institutions. Social change and continuity remain its prime focus. Historically, different sociological perspectives emerged to comprehend complex, conflicting social realities caused by modern industrial relations. . The discipline of Sociology has absorbed historical and cultural variation, impact of Information Technology and climate change. The Department of sociology, Shivaji College, offers to undergraduate students following papers in B.A. Programme: An Invitation to Sociology, Sociology of India, Classical Sociological Thinkers, Post Classical Thinkers, Sociological Research and Sociology and Social Policy.

Department of Biochemistry

The Department of Biochemistry offers a B.Sc. (Hons.) Biochemistry Course which empowers students to unravel biochemical and molecular mechanisms of life by rigorous coursework, hands-on laboratory training and cutting-edge research. The aim of the course is to provide advanced learning in biological sciences and help them to explore diverse opportunities in academia, research and beyond. The Department focuses on the objectives of National Education Policy (NEP) 2020 which has been implemented in the Undergraduate Curriculum Framework (UGCF). Students study diverse subjects such as Biomolecules, Metabolism, Microbiology, Gene Expression, Human Physiology, Enzymes, Concepts in Genetics and Evolution, Immunology, Research Methodology etc. Students are given hands-on training to solve problems of biochemistry by learning biochemical methods and modern biological techniques. The department is engaging IV-year UG students in original scientific investigations and creative projects which makes them active contributors in biochemistry.

The department has conducted various events for the benefit of students, non-teaching staff as well as teaching staff since May 2019 under the aegis of the DBT-Star College Scheme. The students of the department actively participate in various extracurricular activities and are members of different societies of the College. Besides, they also attend national level conferences and seminars to keep themselves abreast of recent innovations and developments in the field of modern Biological Sciences. Summer internship/training program is organized by the department to enhance their research interests and capabilities.

Biochaperones: The Biochemical Society provides a dynamic platform for students to explore and nurture their talent by organizing a diverse range of events such as Conferences/National Seminars, Invited talks, Educational Visits, Workshops and Competitions to provide a holistic learning experience to the students for the professional growth and better placement of students. The department strives to provide an experiential active learning environment with a vision to excel in various streams. The department organizes Alumni talks which helps in interaction with seniors and get guidance for their future in the biochemistry and related areas.

In addition, the department releases an annual edition of "Biokemi, a scientific magazine in which students publish their articles and acquire the skills of scientific writing, bibliography and checking for plagiarism. The faculty members also organize regular mentor-mentee meetings to address student's problems. Career counselling is provided to students to understand their interests and passions as this will help them to achieve professional goals.

The students graduating from this program get placed in reputed higher education institutes in India and abroad like University of Delhi, AIIMS, IISERs, RCB, JNU and various other central universities, University of Cambridge, Dresden University of Technology Germany etc.

Biochemistry offers a highly dynamic, interdisciplinary career path and promising prospects across various universities, in research and development due to the growing demand of expertise in the health sector, pharmaceuticals, agricultural sciences and other technological fields of biological sciences.

Department of Botany

The Department of Botany at Shivaji College is renowned for its academic and research excellence, distinguished faculty, and enriching co-curricular and extracurricular activities. It empowers the next generation botanists through rigorous academics and research in alignment with the National Education Policy (NEP). Our comprehensive curriculum bridges traditional botanical areas of Plant Anatomy, Embryology, Plant Systematics, Phycology, Mycology, Cell Biology, Plant Physiology, Economic Botany, and Ecology with cutting-edge fields like Molecular Biology, Genetics, Genomics, Plant Biotechnology, Proteomics, Bioinformatics etc.

The department offers Discipline Specific Core and Discipline Specific Electives papers alongwith Skill Enhancement Courses (SECs), Value Addition Courses (VAC) and Generic Electives (GE) in applied fields such as Ayurveda and Nutrition, Biofertilizers, Industrial Microbiology, Plant Tissue Culture, Horticulture and Plant health and Disease Diagnostics with many more options spread across the various semesters under the NEP 2020 framework.

The Department of Botany has well-equipped laboratories, featuring state-of-the-art instruments and projection facilities that enhance student learning. It also houses an extensive collection of museum and herbarium specimens, providing practical, hands-on learning experiences. Additionally, our botanical herbal garden, and composting units further facilitate students' connection to nature. Experiential learning is a cornerstone of our program with field trips, study tours, botanical excursions, industrial and institutional visits, and summer internships. The Botanical Society ‘Fragrance’, actively organizes lectures, workshops, seminars, and competitions, fostering a vibrant academic community. Eminent scientists, and entrepreneurs are invited for delivering informative and knowledgeable talks. Supported by grants from various Extramural Funding Schemes, our department continues to advance research and organizational skills.

The Department has also produced many University rank holders and many of our students in the past have pursued careers in higher education from various Institutes of repute in India as well as abroad. Some of our alumni are currently placed in higher positions in many Governmental Organizations/Institutes like

Indian Institutes of Science, Education and Research, Indian Agricultural Research Institute, PUSA, Department of Plant & Molecular Biology, South Campus, University of Delhi; Indian Forest Services etc. Our graduates have excelled in higher education and hold prestigious positions in various governmental and research institutions, reflecting the high caliber of education provided by the Department of Botany at Shivaji College.

Pursuing a B.Sc. in Botany opens up a myriad of exciting and rewarding career opportunities. Graduates can become scientists, engaging in ground-breaking research, or educators, inspiring the next generation as teachers or lecturers. Many find fulfilling roles in government services as IFS, IAS, or IPS officers. Opportunities also abound in regulatory bodies like the FCCI as food inspectors, ensuring food safety and quality. Postdoctoral fellows and research associates contribute to advancing scientific knowledge, while technical assistants in high-tech labs support innovative experiments. Careers in biotech companies and roles as genome analysts offer cutting-edge positions in rapidly evolving fields. Additionally, botany graduates can become environmentalists or ecologists, working to protect and restore natural habitats. Entrepreneurs can innovate in the agricultural and biotech sectors, while horticulturists apply their expertise in plant cultivation and landscape design. These diverse paths highlight the vast potential and impactful contributions botany graduates can make to society.

Department of Chemistry

The Chemistry Department encourages its students to cultivate creativity , intellectual curiosity , and critical inquiry so that scientific temperament is developed in students. Faculty members of the chemistry department sustain interaction with students and give hands- on experiences in laboratories. The faculty encourages disciplined thinking, nurturing ethical awareness and developing analytical skills in students so that they develop the ability to question assumptions, interpret evidence and understand the broader consequences of

their actions in college and later in their professional life.

The Department of Chemistry has well-equipped laboratories with the necessary chemicals for conducting regular practical classes and research activities. Fostering a vibrant learning and research environment, students have successfully published their research work in Scopus-indexed journals under the mentorship and guidance of the faculty members of the department.

Department of Computer Science

The Department of Computer Science has been working diligently to impart quality education to students. The focus is on holistic learning and empowering students to contribute significantly at all levels. Under the National Education Policy, the department offers a multidisciplinary course of study with Computer Science, under UGCF 2022. The course lays a strong foundation in computer science and employs an application-oriented approach in developing students' problem-solving skills. The curriculum aims to make students employable and ready to meet the computational needs of the industry. On completion, students can also pursue postgraduate degrees like M.C.A., MBA, M.Sc. in Computer Science/IT/Data Science.

The department also offers Computer Science as a Generic Elective option, Value Addition Courses and Skill Enhancement Courses under NEP. The department has four spacious and well-equipped air-conditioned computer labs, creating a comfortable and efficient learning environment for students. With around 150 computers having the latest configurations, all systems are seamlessly connected to high-end servers. Each computer provides access to essential software and high-speed internet through a secure LAN network. To support interactive learning, every lab is equipped with projectors/Smartboard. An online UPS system ensures an uninterrupted power supply, allowing students to work without disruption.

Webster's, the Computer Science Society of Shivaji College, was established to ignite and nurture student interest in the ever-evolving realm of computers and technology. The society has been actively organizing seminars, workshops, and hands-on sessions to keep students abreast of the latest technological trends. Its annual technical fest, 'Techelons,' is celebrated with great enthusiasm and energy. Several competitive events are curated, providing students a platform to exhibit their skills while cultivating leadership and organizational capabilities.

Department of Environmental Studies

The Department of Environmental Studies happens to be the youngest department of the Shivaji College (University of Delhi) and was established during 2017. The Department was set up as a response to the University of Delhi's direction for all colleges to initiate Compulsory Course on Environmental Studies. Consequent upon introduction of the National Education Policy (NEP) in the constituent colleges of the University of Delhi during academic year 2022-23, Environmental Science is now a 4 Credit Ability Enhancement Course (AEC) that spreads over two semesters.

The Department of Environmental Studies coordinates and teaches the AEC Course on Environmental Science to all students who are enrolled in all the Departments of the College. The Department adopts a class-room, field and project-based approach for teaching and for ensuring that students develop holistic understanding of the subject. The Department comprises faculty members who are highly qualified in their respective areas of expertise.

Department of Life Sciences

The Department of Life Sciences offers a comprehensive and interdisciplinary approach to the study of biological sciences. This dynamic department comprises three core disciplines: botany, or the plant sciences; zoology, or the animal sciences; and chemistry, or the chemical sciences. Being multidisciplinary, the students are dealing with three different disciplines of science, and the curriculum designed can instill an integrated science approach amongst students. Here, students are equipped to face the challenges of the modern scientific landscape while contributing to the advancement of knowledge in living science.

The Department of Life Sciences stands as a beacon of academic excellence; its academic structure lays a strong foundation for students to succeed in their careers and helps them qualify for various entrance exams of national and international repute. During the various academic years of the course, in addition to the Discipline Specific Core (DSC) and Elective (DSE) courses, students will also learn numerous Generic Elective (GE), Value Added Courses (VACs), and Skill Enhancement Courses (SEC). Students here engage in both theoretical and practical learning, exploring topics such as taxonomy, physiology, developmental biology, ecology, genetics and molecular biology,

biotechnology, research methodology, wildlife conservation, and all three domains of chemistry, viz. Organic, Inorganic and Physical Chemistry. In addition to curricular lectures, various departmental activities are organised, which include seminars, hands-on workshops, talks by industrial and academic experts, field trips, and visits to research institutes. The pedagogy employed ensures and fosters engaging and compelling learning experiences for the students. To ignite students' interest in exploratory aspects and develop research aptitude, the department involves students in short-term, in-house or intramural research projects and research-based outreach programs. To inculcate leadership qualities and managerial skills among students, the life science department has a robust, versatile, and active student council that organises various intra-college and inter-college departmental events for the wholesome participation of students.

Graduates from the Department of Life Sciences at Shivaji College, Delhi University, are well-prepared for diverse career paths in education such as school-level or university-level teaching & research, healthcare, civil services and sustainable environmental management. Additionally, under NEP-2020, students can attain an honours or major degree in any one of the three disciplines described above after completing the fourth academic year and having attained the required number of credits. The NEP-2020 also offers students the opportunity to obtain a degree with research after obtaining six essential credits through dissertation work in their fourth academic year. Therefore, students of life sciences can opt for any one discipline of interest and focus on it to complete their degree with a research component.

Teacher-in-Charge:

Dr Misha Yadav, Associate Professor, Dept of Botany.

Department of Mathematics

The Department of Mathematics at Shivaji College comprises a team of highly qualified and dedicated faculty members with expertise in various domains of mathematics, who actively engage in research and regularly update themselves with the latest advancements in the discipline. To promote comprehensive academic growth, the department dynamically complements its curriculum through seminars, student projects, and specialized Add-on courses. A key highlight of the department is its state-of-the-art infrastructure, which includes a well-equipped, air-conditioned Mathematics Laboratory housing approximately 50 computers. This facility enhances the academic experience by enabling hands-on learning and practical problem-solving through advanced software such as Mathematica, LaTeX, R, and other statistical tools.

The undergraduate B.Sc. (Hons) Mathematics program is meticulously structured to develop students' critical and logical thinking, equipping them to apply mathematical reasoning effectively in real-world contexts. It provides a robust foundation in both pure and applied mathematics, covering core and advanced topics including Calculus, Real and Complex Analysis, Abstract Algebra, Differential Equations, Probability and Statistics, Mathematical Statistics, Numerical Analysis, Mathematical Modelling, Number Theory, Graph Theory, Cryptography, and Mathematical Finance. To further enhance analytical abilities across all disciplines, the department also offers a well-received Add-on Course titled "Concepts of Logical Reasoning," which contributes meaningfully to students' academic and professional development. Graduates of this rigorous program are exceptionally well-prepared for higher studies and successful professional careers in diverse, high-demand fields such as teaching, research, data science, finance, banking, and insurance.

B.Sc. (Prog.) Physical Science with Chemistry

This program is designed to develop students' analytical thinking, efficiency, agility, resilience, and communication skills, enabling them to navigate complex cognitive challenges. Through a blend of theoretical knowledge and practical proficiency in core subjects, students engage with innovative pedagogical approaches that deepen their vertical understanding of each discipline.

Graduates of this course can pursue postgraduate studies in any of the three core subjects. They are also well-equipped for diverse career opportunities in sectors such as banking, defense services, research laboratories, government organizations, and many more.

Teacher-in-Charge:

Dr. Anil Awasiya, Assistant Professor, Dept of Physics

Department of Physics

The Physics department is one of the most prestigious and dynamic departments of Shivaji College. The department is actively involved in research across frontier areas of Physics and provides a world class teaching and research facility in the area of physics with multiple specializations. It offers a 4-year undergraduate program, B.Sc. (Physics hons. with research) also there is an exit option available after successful completion of three years leading to the B.Sc. (Physics) degree. The main aim is to provide high quality education with research. It provides GE, SEC and VAC courses to different departments. To enhance the learning experience the class rooms as well as laboratories are equipped with projector facilities. The labs of the department are equipped with the latest instruments. INVENIO is the department society which provides a platform to the students to go beyond curriculum academics and explore new horizons by organizing workshops, annual festival and educational trips to research institutes of high repute.

This year the department organized a two-day International Conference on Emerging Frontiers in Sustainable Functional and Advanced Materials (IC-SFAM 2026). The Department also conducts National Graduate Physics Examination (NGPE), a unique exam for highly meritorious physics students conducted by

Indian Association of Physics Teachers (IAPT) every year. The research is focused on thrust areas as: Condensed Matter Physics, Solar Cell, Thin Films, Hydroelectric cell (a green source), Sensors, Energy Storage and magnetic materials, Plasma Physics, Waveguides, Modelling and Simulation etc. Today, the department boasts of fifteen inspiring faculty members, bearing diverse research interests and providing learning and research facilities to the under-graduate students in the department.

Department of Zoology

The Zoology department of Shivaji College has constantly strived to develop conceptual understanding and scientific temperament for research amongst students. This amalgamation of fundamental subject-specific knowledge, along with inquisitiveness and analytical skills in students, fosters them towards academic excellence in their respective fields. Ranging from conventional classroom blackboard teaching methodology to the application of a wide range of ICT tools in teaching practices incorporates additional traits in the graduating students.

Having endeavoured to upgrade the knowledge of students and widen the exposure to the latest avenues of research, the department organises invited talks by veteran & eminent speakers, conducts seminars, workshops, and summer training programmes. Timely department also organises peer-learning sessions by the fast-learner pupils, the remedial classes by volunteering faculty members for slow learners & non-performing students, and counselling sessions for prospects of opting for the GE & DSE papers, and career guidance. The versatile museum of the department is endowed with a state-of-the-art collection of animal specimens, bones & skulls collection for osteology studies, microscopic slides for histology & pathophysiology related studies, etc. The students perform their wet-lab and dry-lab experiments in three functional laboratories of the department, which are very well-equipped and are attached with a culture room and a preparation room for making solutions & chemicals. The library of Shivaji College has a vast collection of Animal encyclopaedias and Zoology reference books predominantly authored by foreign writers.

Keeping in mind the UGCF-NEP 2020 framework, the zoology department follows an interdisciplinary approach where the curriculum encompasses a diverse range of value-added courses like Science and Society, Ayurveda and nutrition, etc. The skill enhancement courses like Fisheries and Aquaculture, Apiculture, Sericulture, etc., truly add great skills among students so that students can plan for setting up a new small-scale earning livelihood and launch their freelance start-ups. The applied papers being taught include Ecology, Biotechnology, Microbial world, Medical diagnostics, etc., all of which add a great deal to the routine knowledge system of the students.

Additionally, the discipline-specific core and elective papers enrich the knowledge of students to a greater extent, especially in the field of Cell & molecular biology, Immunology, Genetics, Human Physiology, Biochemistry of metabolism, etc. Highly specialised papers that significantly bring them a step towards becoming a Zoologist are those papers dealing with animal sciences such as animal behaviour, parasitology, developmental biology of animals (embryology), wildlife conservation & management, faunal conservation, animal diversity of non-chordates and chordates with comparative anatomy & physiology. Research-oriented papers like Research methodology, Biostatistics, Bioinstrumentation, and Animal model systems used for research, etc., prepare the students to gear them up to take up the fourth year dissertation track and earn them their "B. Sc Zoology honours with research" degrees as per UGCF-2022.

With the twelve plus dedicated faculty, evolving curriculum, and research-oriented guidance & learning, the niche of the Zoology department at Shivaji College continues to meaningfully contribute towards developing competent scientific professionals and technically empowered citizens.

All B.A. (H) courses & M.A. [except B.A.(H) English & Sanskrit Hons]	Mr. Rajeev Kapoor, Jr. Assistant
All Sciences courses except Mathematics	Ms. Neha Bhatnagar, Assistant
Commerce and Mathematics	Mr. Ashish Dhingia, Assistant
B.A. Prog, B.A. (H) Eng., B.A. (H) Sanskrit & all MA courses	Mr. Santosh Mishra, Jr. Assistant

SCHOLARSHIPS

Scholarship Name	Terms and Conditions:-
Dr. Usha Aggarwal Trust	B.Com Prog. IInd & IIIrd year who secures the highest % of marks, being above 70% in B.Com (Prog.) Ist & IInd yr. Result
Sultan Chand Dropadi Devi Education Foundation (Dr. Ms. Usha Aggarwal)	B.Com (H) III yr. who secures the **second highest** % of marks, being above 70% in the college in B.Com (H) II year.
Sultan Chand Dropadi Devi Education Foundation (Dr. Ms. Usha Aggarwal)	Who secured the first highest % of marks, in all the papers in the college in B.Com (H) Ist Sem Univ. Exam. Scholarship of Rs. 2500/-
Shri Sultan Chand Dropadi Devi Memorial Scholarship Scheme	One Scholarship of Rs. 3500/- for the result of 2nd Semester to B.Com (H) student under New Revised Syllabus.
Sultan Chand Dropadi Devi Education Foundation (Dr. Ms Usha Aggarwal)	One Scholarship of Rs. 3600/- for result of 4th Semester to B.Com (H) student under New Revised Syllabus.
Mrs. Swarn Kanta Nayyar w/o Late Dr. S.K. Nayyar	Two prizes in Zoology Deptt. for the B.Sc. (H) Zoology for the 2 top students in the penultimate year of their degree course, ratio of 2/3rd and 1/3rd respectively).
Sh. Satpal Bansal Memorial Scholarship (Dr. Sonali Garg)	Best Student of B.A. (Prog.) Ist yr.
Mrs. Savita Mishra Memorial Award constituted by Dr. Kumari Priyanka Dept. of Mathematics (Shivaji College) in the memory of her mother	Girl student of B.Sc.(H) Mathematics, who gets highest marks till her 6th Semester of Undergraduate Degree Course
Ms. Santosh Duggal in memory of her parents	The Toppers of 1st, 2nd and 3rd year students for the B.A. (H) Political Science
Dr. Sarvesh Kumar Dubey Scholarship	Who secured the first highest % of marks, in all the papers in the college in M.A. Hindi Final Year Exam.
Shankar Majumdar in memory of his Uncle Late Dr. R.M. Pal and his elder	One Scholarship of B.A. (H) History Final year, who gets highest marks till his/her 6th Semester of the

brother Late Shri N.C. Majumdar	course
Sunil-Bhai Ravi Scholarship by Prof. Khursheed Khan, Dept. of History	One Scholarship of B.A. (H) History Final year, who secured maximum marks in his/her graduation
Ravimohan Bharti Scholarship by Prof. Preeti Tiwari, Dept. of Geography	One Scholarship for Rs. 10,000/- to the student of B.A. (H) Geography (Final Year) who graduates with the highest marks in the University Examination
Prof. Ramesh Gautam Smriti Udgeet Puruskar	Topper students of all three streams i.e. Science, Arts and Commerce
Prof. Rabinarayan Samantara Meritorious Award	Topper students of B.com (H) Final Year
Prof. Anil Krishan Aggarwal Meritorious Award	Topper students of B.Sc (H) Chemistry Final Year
Dr. Tulsi Ram and Smt. Maya Devi Memorial Scholarship	Best Students from all three streams ie Science, Arts and Commerce

ORDINANCES

Ord. XV-B. Maintenance of Discipline among Students of the University

(10062022_University-Calendar-123-321.pdf)

1. All powers relating to discipline and disciplinary action are vested in the Vice-Chancellor.
2. The Vice-Chancellor may delegate all or such powers as he/she deems proper to the Proctor and to such other persons as he/she may specify on this behalf.
3. Without prejudice to the generality of power to enforce discipline under the Ordinance, the following shall amount to acts of gross indiscipline:
    a) physical assault, or threat to use physical force, against any member of the teaching and non-teaching staff of any institution/Department and against any student within the University of Delhi;
    b) carrying of, use of, or threat to use of any weapons;

c) Any violation of the provisions of the Civil Rights Protection Act, 1976;

d) Violation of the status, dignity and honour of students belonging to the scheduled castes and tribes;

e) any practice-whether verbal or otherwise-derogatory of women;

f) any attempt at bribing or corruption in any manner;

g) wilful destruction of institutional property;

h) Creating ill-will or intolerance on religious or communal grounds;

I) Causing disruption in any manner of the academic functioning of the University system; ragging as per Ordinance XV-C

4. Without prejudice to the generality of his/her powers relating to the maintenance of discipline and taking such action in the interest of maintaining discipline as may seem to him/her appropriate, the Vice-Chancellor may, in the exercise of his/her powers aforesaid order or direct that any student or students

   (a) be expelled; or

   (b) be, for a stated period rusticated; or

   (c) be not, for a stated period, admitted to a course or courses of study in a College, Department or Institution of the University; or

   (d) be fined with a sum of rupees that may be specified; or

   (e) be debarred from taking a university, college or Departmental Examination or Examinations for one or more years; or

   (f) that the result of the student or students concerned in the examination or examinations in which he/she or they have appeared be cancelled.

5. The Principals of the Colleges, Heads of the Halls, Deans of Faculties, Heads of Teaching Departments in the University, the Principal, the School of

Correspondence Courses and Continuing Education, and Librarian shall have the authority to exercise all such disciplinary powers over students in their respective Colleges, Institutions, Faculties and Teaching Departments, in the University as may be necessary for the proper conduct of the Institutions, Halls and teaching in the concerned Departments. They may exercise their authority through, or delegate authority to, such teachers in their Colleges, Institutions or Departments as they may specify for these purposes.

6. Without prejudice to the powers of the Vice-Chancellor and the Proctor as aforesaid, detailed rules of discipline and proper conduct shall be framed. These rules may be supplemented, where necessary, by the Principals of Colleges, Heads of Halls, Deans of Faculties and Heads of Teaching Departments in this University. Each student shall be expected to provide himself/herself with a copy of these rules.
7. At the time of admission, every student shall be required to sign a declaration that on admission he/she submits himself/herself to the disciplinary jurisdiction of the Vice-Chancellor and the several authorities of the University who may be vested with the authority to exercise discipline under the Acts, the Statutes, the Ordinances, and the Rules that have been framed thereunder by the University.

Ordinance XV-B

Prohibition and Punishment for Ragging

Ø Ragging in any form is strictly prohibited, within the premises of College/Department or Institution and any part of University of Delhi system as well as on public transport.

Ø Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.

Ø Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or

- collective acts or practices which
    - Involve physical assault or threat to use of physical force.
    - Violate the status, dignity and honour of women students.
    - Violate the status, dignity and honour of students belonging to the scheduled caste, tribe, and PWD.

- Expose students to ridicule and contempt and affect their self-esteem.
- Entail verbal abuse and aggression, indecent gestures and obscene behaviour.

Ø The Principal of a College, the Head of the Department or an Institution, the authorities of College, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.

Ø Not with standing anything in Clause (4) above, the Proctor may also Suo moto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.

Ø If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an iniquity, he/she may advise the Vice-Chancellor accordingly.

Ø When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/her decision shall be final.

Ø On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c) the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years. University of Delhi Bulletin of Information.

Ø The Vice-Chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a programme of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.

Ø In case any students who have obtained degrees or diplomas of the University of Delhi are found guilty, under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diploma conferred by the University.

Ø For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.

Anti-Ragging Committee of the Shivaji College

	Dr Himmat Singh
	Dr Nagendra

Ø All Institutions within the University of Delhi system shall be obligated to carry out instructions/ directions issued under this Ordinance, and to give aid and assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.

Ø Note: Order of the Vice-Chancellor in pursuance of **Ordinance XV-C** Where incident (s) of ragging are reported to the Vice-Chancellor by any authority under this Ordinance, the student(s) involved in ragging, shall be expelled for a specified term, designated in the order. Non-students involved in reports of ragging will be proceeded with under the criminal law of India; they will also be rendered ineligible for a period of five years. from seeking enrolment in any of the institutions of the University of Delhi. Students against whom necessary action is taken under this note, will be given post decisional hearing, with strict adherence to the rules of natural justice.

OrdinanceXV-D

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (MINISTRY OF LAW AND JUSTICE)

An act to provide protection against sexual harassment of women at workplace and for the prevention and redressal of complaints of sexual harassment and for matters connected there with incidental thereto. WHEREAS sexual harassment results in violation of the fundamental rights of a woman to equality under articles 14 and 15 of the Constitution of India and her right to life and to live with dignity under article 21 of the Constitution and right to practice any profession or to carry on any occupation, trade or business which includes a right to a safe environment free from sexual harassment; AND WHEREAS the protection against sexual harassment and the right to work with dignity are universally recognized human rights by international conventions and instruments such as Convention on the Elimination of all forms of discrimination against Women, which has been ratified on the 25th June 1993 by the Government of India. AND WHEREAS it is expedient to make provisions for giving effect to the said Convention for protection of women against sexual harassment at workplace.

At Shivaji College, we are committed to creating a safe and respectful academic environment. By upholding the principles of POSH, we strive to ensure that all members of our college community can learn, teach, and work in a supportive and harassment free setting.

For more information about our POSH policy or to report an incident, please contact icc@shivaji.du.ac.in or refer to the document below.

Ordinance VIII-E: Internal Assessment

(https://www.du.ac.in/du/uploads/rti/Annexure-VII.pdf)

[EC Resolution No. 60-1/ (60-1-13) dated 03.02.2023]

Ø The assessment pattern that shall be adopted for the purpose of assessment of courses that have been approved by the Competent Authorities under the UGCF 2022 shall be as follows:

- In any course where 01 credit is attributed to Tutorial', an objective assessment process has to be developed as a credit earned by a student in a course will eventually lead to its deposition in the Academic Bank of Credit of such student. Therefore, it is imperative that each credit earned by a student is adequately assessed and recorded accordingly.
- In view of the above, the components of Tutorial have been listed so that at least some of these activities (listed at point no. 3 below) may be picked up by a student, in consultation with the teacher, as per rules devised for this purpose. The activities conducted shall be assessed through continuous assessment.

i) Some of the activities that may be done as component of tutorials are as follows:

- Literature review
- Book review
- Movie review
- Project activity (group)
- Research cum presentation
- Creative Writing/Paper writing
- Group discussion
- Problem Solving exercise
- Any creative production (may be done in a group)

- Innovative Project
- Any other scholastic work related to application of
- Conceptual understanding of the subject.

ii) Further, out of forty marks allocated for Continuous Assessment of tutorial, five marks shall be for attendance, which shall be distributed as follows:

- More than 67% attendance but less than 70% attendance - 1 mark
- More than 70% attendance but less than 75% attendance - 2 marks
- More than 75% attendance but less than 80 % attendance - 3 marks
- More than 80% attendance but less than 85% attendance - 4 marks
- More than 85 % attendance - 5 marks

There shall not be marks for attendance in Continuous Assessments for practical.

Ø (I) Internal Assessment (IA) shall consist of marks secured in class tests, assignments/ presentations and attendance. For instance, for an Internal Assessment of 25 marks, Class tests shall comprise of 10 marks, Assignments/Presentations shall comprise of 10 marks and attendance shall be for 5 marks. Similarly, for IA of 30 marks, 6 marks shall be for attendance, 12 marks for class test and 12 marks for Assignments/Presentations.

(ii) Six marks for attendance shall be distributed as follows:

- More than 67% attendance but less than 70% attendance - 1.2 mark
- More than 70% attendance but less than 75% attendance - 2.4 marks
- More than 75% attendance but less than 80 % attendance - 3.6 marks
- More than 80% attendance but less than 85% attendance - 4.8 marks

- More than 85 % attendance - 6.0 marks

Internal Assessment Monitoring and Moderation Committee of Shivaji College

Convener	Dr. Jeetendra Aggarwal
Members	Prof. Aparna Jain
	Mr Manish Sachdeva
	Dr. Renu Baweja
	Ms. Manisha Jayant
	Dr. Sunil Yadav
Secretary, Staff Council (Ex-Officio)	Prof. Mridula Budhraja
Bursar (Ex-Officio)	Prof. Kiran Chaudhary

(i) To make Internal Assessment and Continuous Assessment fair and reasonable, it is necessary to strengthen the Monitoring Committee for Internal Assessment in every College, constituted as per clause 5

(ii) Ordinance VIII-E of the Ordinances of the University. This Committee shall be responsible for the entire process of Internal Assessment in the College, including redressal of grievances, if any. The same Committee shall also look into the process of Continuous Assessment and redress grievances, if any.

(iii) A student who is discontent with the decision taken by the Monitoring Committee for Internal Assessment of the College, with respect to the grievance submitted by him/her relating to Internal Assessment/Continuous Assessment, may file an appeal before an appellate body consisting of the Principal of the College, the Teacher-incharge of the department/senior faculty member, the concerned teacher who has assessed the aggrieved student and shall be chaired by the Nominee of Dean of Colleges or Director South Delhi Campus, under whose jurisdiction the concerned College falls.

The theory examination and internal assessment shall be a cumulative assessment of the teaching-learning done in the theory as well as tutorial classes.

The assessment pattern for courses of different credit distributions is provided in Table – 1

Practical marks for courses of total four credits, shall comprise of

(i) continuous evaluation (25%),

(ii) end term practical examination (50%) and

(iii) viva-voce (25%).

Practical marks for courses of total two credits shall comprise of

(i) continuous evaluation (25%),

(ii) end term practical /written exam (50%) and

(iii) viva-voce (25%)

The variance of the total marks in various combinations of LTP structure shall be aligned with the help of "weighted average" calculated through an appropriately devised formula for conversion of marks to grades.

The attendance requirement for continuous mode of assessment shall be as per Ordinance VII of the Ordinances of the University".

To enable students to improve their grades, the following may be adopted:

Grade obtained in the course/paper	Grade obtained in Theory	Grade obtained in Practical/Tutorial	Re-register	Course of action to improve the Grade
F	Not Satisfied*	Satisfied	No	To appear in end term theory exam of that course/paper for Essential Repeat
More than F	Not Satisfied*	Satisfied	No	To appear in end term theory exam of that course/paper for improvement
More than F	Not Satisfied (IA marks satisfied)	Satisfied	No	To appear in end term theory exam of that course/paper for improvement
More than F	Not Satisfied Including IA	Satisfied	Yes	To attend the course and appear for IA and end term theory examination for improvement
More than F	Satisfied	Not Satisfied	Yes	To attend the course and appear in both theory and practical examinations, along with their CA and IA for improvement

***Not satisfied indicates Grade below the passing marks prescribed for theory/practical.**

The final percentage of marks (%) for the students graduating from 2022-2023 shall be calculated as Grand CGPA (Cumulative Grade Point Average) multiplied by

Total Credits	L	T	P	End Term Theory Exam Marks	Internal Assessment (IA) marks	Total of theory exam and IA	Duration of theory exam	Tutorial CA	Practical Marks				Grand Total marks
									CA	End rem practical /written exam	Viva-voce	Total	
4	3	1	0	90	30	120	3 hours	40	0	0	0	0	160
4	3	0	1	90	30	120	3 hours	0	10	20	10	40	160
4	0	0	4	0	0	0	NA	0	40	80#	40	160	160
4	1	0	3	30	10	40	1 hours	0	30	60	30	120	160
4	2	0	2	60	20	80	2 hours	0	20	40	20	80	160
2	1	0	1	30	10	40	1 hours	0	10	20**	10	40	80
2	0	0	2	0	0	0	NA	0	20	40**	20	80	80
2	2	0	0	60	20	80	21 hours	0	0	0	0	0	80

In case there is no end term examination for any 4 credits course, which has only Practical component, this mark shall be added to continuous assessment of the Practical and the total of the CA for Practical shall be 120.

In case of two credits course which have Practical components, either there shall be end term Practical Examination or end term written examination.

L-Lecture

T-Tutorial

P-Practical

CA-Continuous Assessment

IA-Internal Assessment

Medical Certificates

Medical certificates shall be excluded while calculating credit towards marks awarded for regularity, though such certificates shall continue to be taken into account for the purpose of calculating eligibility to appear for examinations as per the existing provisions of Ordinance VII.2.9. (a)(ii).

Pass Percentage & Promotion Criteria

The minimum marks required to pass any paper in a semester shall be 40% in theory and 40% in practical, wherever applicable. The student must secure 40% in the End Semester Examination and 40% in the total of the End Semester Examination & Internal Assessment of the paper for both theory and practical separately.

Promotion from 1st Year to 2nd Year

A student shall be eligible for promotion from the 1st year to the 2nd year of the course provided she/he has passed 50% of the papers of the I and 11 semesters taken together.

Promotion from 2nd Year to 3rd Year

Similarly, a student (irrespective of Part I results) shall be eligible for promotion from the 2nd year to the 3rd year of the course provided she/he has passed 50% of the papers of the III and IV semesters taken together.

Failing to Meet Promotion Criteria

Students who do not fulfil the promotion criteria (as stated in points 10 and 11) shall be declared to have failed in the part concerned. However, they shall have the option to retain the marks in the papers in which they have secured pass marks as per Clause 9.

Reappearing in examinations

A student who has to reappear in a paper prescribed for Semester 1/III/V may do so only in the semester examinations to be held in November/December. A student who has to reappear in a paper prescribed for Semester II/IV/VI may do so only in the examination to be held in April/May.

Reappearance in Passed Papers

A student may appear in any theory paper prescribed for a semester, foregoing in writing her/his previous performance in the paper(s) concerned. This can be done only in the immediate subsequent semester examination (for example, a student reappearing in a paper prescribed for the Semester I examination may do so along with the subsequent Semester III examination and not along with papers for Semester V).

Reappearance After Clearing Part III

A candidate who has cleared the papers of Part III (V & VI Semester) may reappear in any paper of V or VI Semester only once, at the immediate subsequent examination, foregoing in writing her/his previous performance in the paper(s) concerned, within the prescribed span period.

(Note: The candidate in this category will not be allowed to join any postgraduate courses).

Result Preparation for Reappearance

In the case of reappearance in a paper, the result will be prepared based on the candidate's current performance in the examination.

Failure to Reappear After Opting

In the case of a candidate who opts to reappear in any paper(s) under the aforesaid provisions, on surrendering her/his earlier performance but fails to reappear in the paper(s) concerned, the marks previously secured by the candidate in the paper(s) in which she/he has failed to reappear shall be taken into account while determining her/his result of the examination held currently.

Special Consideration for Participation in Activities

In the case of a student who is selected as a member of the N.C.C. to participate in the annual N.C.C. Camps or is deputed to undertake Civil Defence work or allied duties, or in the case of a student who is enrolled in the National Service Scheme and is deputed to various public assignments by or with the approval of the Head of the institution concerned, or a student who is selected to participate in sports or other activities organized by the Inter-University Board or in national or international fixtures in games and sports approved by the Vice-Chancellor, or a student who is required to represent the University at the Inter-University Youth Festival, or a student who is required to participate in periodical training in the Territorial Army, or a student who is deputed by the College to take part in Inter College sports fixtures, debates, seminars, symposia, or social work projects, or a student who is required to represent the College concerned in debates and other extracurricular activities held in other Universities or such other activities approved by the Vice Chancellor, the following provision will apply:

- A student in the categories listed above will have to fulfil threquirement o f written assignments and projects/term papers/seminars/fieldwork with

the flexibility, however, that she/he may, if necessary, be allowed additional time for submission of written assignments.

- A student in the categories listed above, who is unable to write the House Examination/Class Test(s)/Quiz(s) on account of her/his participation in such activities, may be assessed by the College through an alternative mode. This may be done only in exceptional circumstances.
- A student in the categories listed above will get the benefit of attendance for Internal Assessment for the classes missed as per the existing provisions of Ordinance VII.2. (9)(a)(I).

Review and Moderation of Internal Assessment Marks

The University reserves the right to review and, if necessary, moderate the marks in Internal Assessment in any paper/papers in any College/ Department. The information provided here is to the best of our knowledge. For further information, please refer to the University website www.du.ac.in.

Attendance Requirement

Every student is required to attend not less than two-thirds of lectures and practicals delivered in the college separately for her/his course of study in each academic year.

Consideration of Medical Certificates

The Principal of the College may consider, on the basis of Medical Certificates produced, exceptional cases of students who had fallen seriously ill or had met with an accident. The University reserves the right to review and, if necessary, moderate the marks in Internal Assessment in any paper/papers in any College/Department.

Exclusion of Lectures

The benefit of exclusion of lectures contemplated in **Ordinance VII.2. (9)(a)(i) above,** either separately or jointly, shall in no case exceed one-third of the total number of lectures delivered. For further clarity, **Ordinance VII** should be consulted.

***Subject to further notification/amendment as issued by the University of Delhi under UGCF 2022-2023 Scheme.**

IDENTITY CARD

Students are issued an Identity card which they are expected to produce whenever demanded. I-Cards can be collected at the beginning of the new session. It must be surrendered at the time of leaving the college. In case of loss/theft of the original identity card, a duplicate card can be obtained on a payment of Rs. 100/. An FIR should also be lodged at a Police Station reporting the same.

Withdrawal Rules for Fees submitted:

(Students are advised to check the University and College website for further updates in this regard.)

1. Students who want to Leave the college will be issued a college leaving certificate on production of a clearance slip from the Librarian, the NCC officer, the OPE, the Cashier and the Teacher-in-charge and the Science Labs (for Science students), to the effect that he/she owes nothing to the college.

Security Retention Period

Security retention period is for two years after completion of the course or leaving the course in between, whichever is applicable.

2. Fee will be refunded after one month.
3. Students who wish to withdraw their registration should encash the cheque within three months of its date of issue. The college will take no responsibility in case of cheque getting invalid after 3 months of its issue.
